### Federal Transit Administration

#### Fiscal Year 2010 Public Transportation on Indian Reservations Program Project Selections

**AGENCY:** Federal Transit Administration, DOT.

**ACTION:** Notice of Award.

**SUMMARY:** The Federal Transit Administration (FTA) announces the selection of projects to be funded using Fiscal Year (FY) 2010 appropriations for the Tribal Transit Program, a program authorized by the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA–LU), Section 3013(c).

**FOR FURTHER INFORMATION CONTACT:** Contact the appropriate FTA regional Tribal Liaison, (Appendix) for application-specific information and issues. For general program information, contact Lorna R. Wilson, Office of Transit Programs, at (202) 366–2053, e-mail: [Lorna.Wilson@dot.gov](mailto:Lorna.Wilson@dot.gov). A TDD is available at 1–800–877–8339 (TDD/FIRS).

**SUPPLEMENTARY INFORMATION:** The Tribal Transit Program (TTP) established by Section 3013(c) SAFETEA–LU, Public Law 109–49 (August 15, 2005), under 49 U.S.C. 5311(c) makes funds available to federally recognized Indian Tribes or Alaska Native villages, groups, or communities as identified by the Bureau of Indian Affairs (BIA) in the U.S. Department of the Interior for public transportation capital projects, operating costs and planning activities that are eligible costs under the Nonurbanized Area Formula Program (Section 5311).

**Awards:** A total of \$15,074,963 million was made available for FY 2010 Tribal Transit program. This amount includes \$74,963 in lapsing funds from previously funded projects. A total of 96 applicants requested \$36.8 million for new transit services, enhancement or expansion of existing transit services, and planning studies including operational planning. FTA made project selections through a competitive process based on each applicant’s responsiveness to the program evaluation criteria outlined in FTA’s, May 13, 2010 **Federal Register** (75 FR 27114), Notice of Funding Availability: Solicitation for FY 2010 Tribal Transit Program. FTA also took into consideration the current status of previously funded TTP grantees. Because of the high demand, many applicants selected for funding will receive less funding than requested, which enables FTA to support an

increased number of meritorious applications. Where reduced funding was received, FTA has specified in the table of projects the scope that was funded. A total of 59 applications have been selected for funding. The projects selected will provide funding for transit planning studies and/or operational planning (\$50,000); startup projects for new transit service (\$2,747, 693); and for the operational expenses of existing transit services (\$12,277,270).

Following publication of this Notice, an FTA regional tribal liaison will contact each applicant selected for funding to discuss each tribe's specific technical assistance needs.

In the event the contact information provided by your tribe in the application has changed, please contact your tribal liaison with the current information in order to expedite the grant award process.

Issued in Washington, DC, this 24th day of February, 2011.

*Administrator.*

**ACTION:** Invitation for public comments on a requested administrative waiver of the Coastwise Trade Laws for the vessel HO-D-DOE.

**SUMMARY:** As authorized by 46 U.S.C. 12121, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-built requirement of the coastwise laws under certain circumstances. A request for such a waiver has been received by MARAD. The vessel, and a brief description of the proposed service, is listed below. The complete application is given in DOT docket MARAD-2011-0015 at <http://www.regulations.gov>. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines, in accordance with 46 U.S.C. 12121 and MARAD's regulations at 46 CFR part 388 (68 FR 23084, April 30, 2003), that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels in that business, a waiver will not be

granted. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR Part 388.
