Federal Agency Seeking Degree-Granting Authority

1. Air University, Maxwell Air Force Base, Montgomery, Alabama (request to award a Doctor of Philosophy degree in Military Strategy).

Under 10 U.S.C., Section 9134, in order for the U.S. Air Force's Air University to offer a new degree program, the Secretary of the U.S. Department of Education must have approved the degree in accordance with the Federal Policy Governing the Granting of Academic Degrees by Federal Agencies and Institutions (approved by a letter, dated December 23, 1954, from the Director, Bureau of the Budget, to the Secretary, Health, Education, and Welfare). Under the policy, the Secretary is required to establish a review committee to advise the Secretary concerning any proposal to authorize the granting of degrees by a Federal agency. After considering the criteria established by the policy, the review committee forwards its report concerning a Federal agency's proposed degree-granting authority to the Secretary, who then forwards the committee's report and the Secretary's recommendation to the Office of Management and Budget and the Department of Defense. The Secretary uses the NACIQI as the review committee required for this purpose.

Submission of Written Comments Concerning Agencies Scheduled for Review: Submit your written comments

by e-mail no later than ten days after the date of publication, to the Accreditation and State Liaison (ASL) Records Manager at aslrecordsmanager@ed.gov with the subject line "Written Comments re: (agency name)." Do not send material directly to NACIQI members.

In all instances, your comments about agencies seeking continued recognition must relate to whether the agency meets the Criteria for Recognition. Third parties having concerns about agencies regarding matters outside the scope of the petition should report those concerns to Department staff.

Comments concerning the Air University's degree-granting authority request must relate to the criteria used to evaluate the institution. Those criteria may be obtained by submitting a request to aslrecordsmanager@ed.gov with the subject line "Request for Degree-Granting Authority Criteria."

Only materials submitted by the deadline to the e-mail address listed in this notice, and in accordance with these instructions, become part of the official record concerning agencies scheduled for review and are considered by the Department and the NACIQI in their deliberations.

This notice announces the only opportunity you will have to submit written comments on the agencies scheduled for this meeting.

Requests to Make Oral Comments: There will be another notice that will invite the public to submit requests to make oral presentations before the NACIQI on the agencies scheduled for review. That notice will explain the two methods the public may use to request to make oral presentations and provide the instructions for each method. Plus, a separate, subsequent **Federal Register** notice will invite the public to submit written comments and/or requests to make oral presentations before the NACIQI on the reauthorization of the Higher Education Act. Again, neither subsequent notice will offer a second opportunity to submit written comments on the agencies/institutions scheduled for review.

Access to Records of the Meeting: The Department will record the meeting and post the official report of the meeting on the NACIQI Web site shortly after the meeting. Pursuant to the FACA, the public may also inspect the materials at 1990 K Street, NW., Washington, DC, by e-mailing aslrecordsmanager@ed.gov or by calling (202) 219-7067 to schedule an appointment.

Electronic Access to this Document: You may view this document, as well as all other Department of Education documents published in the **Federal**
