NATIONAL FOUNDATION ON THE ARTS AND HUMANITIES

45 CFR Part 1180

Institute of Museum and Library Services; Evaluation by Grantees

AGENCY: Institute of Museum and Library Services, National Foundation On the Arts and Humanities.

ACTION: Technical amendment; final rule.

SUMMARY: This rule makes a technical amendment to the Institute of Museum and Library Services' (IMLS') reporting guidelines for grantees. The purpose of this rule is to ensure the agency's requirements are consistent with guidance provided by the Office of Management and Budget (OMB).

DATES: Effective March 10, 2011.

FOR FURTHER INFORMATION CONTACT: Institute of Museum and Library Services, *Attn:* Office of the General Counsel, 1800 M Street, NW., 9th Floor, Washington, DC 20036; or Nancy E. Weiss, (202) 653-4640. Hearing impaired individuals are advised that information on this matter may be obtained by contacting the IMLS TTY Phone on (202) 653-4614.

SUPPLEMENTARY INFORMATION:

Background: OMB Circular A-110, Uniform Administrative Requirements for Grants and Agreements With Institutions of Higher Education, Hospitals, and Other Non-Profit Organizations, provides, in part, that an agency awarding grants shall prescribe the frequency with which performance reports shall be submitted, and that that frequency shall be not more than quarterly, nor less than annually. 2 CFR 215.51.

IMLS amends 45 CFR 1180.46, Evaluation by the grantee, to ensure that

IMLS requirements conform to the government-wide grants reporting requirements as reflected in OMB Circular A-110.

This final rule implements the OMB Circular and does not make any significant changes in current policies and procedures. IMLS issues this rule as a direct final rule. Under 5 U.S.C. 553(b)(3)(A) agencies are not required to undergo notice and comment procedure for "interpretative rules, general statements of policy, or rules of agency organization, procedure, or practice." Because this rule brings IMLS' regulation into line with OMB Uniform Administrative Requirements for Grants and Agreements under Circular A-110, it falls under the exception cited above.

List of Subjects in 45 CFR Part 1180

Libraries, Museums, Administrative practice and procedure, Grant programs, Grant administration, Nonprofit organizations, Reporting and recordkeeping requirements.

Accordingly, 45 CFR part 1180 is amended as follows:

PART 1180—GRANT REGULATIONS

■ 1. The authority citation for part 1180 is revised to read as follows:

Authority: 20 U.S.C. 9101-9176; 2 CFR 215.

■ 2. Section 1180.46 is revised to read as follows:

§ 1180.46 Evaluation by the grantee.

(a) A grantee shall evaluate at least annually:

(1) The grantee's progress in achieving the objectives set forth in its approved application; and

(2) The contribution of the grant toward meeting the purposes of the Act.

(b) More frequent evaluations may be required by the Institute at the

discretion of the Director or the Director's designee.

Nancy E. Weiss,

General Counsel, Institute of Museum and Library Services.

RIN 0648-XA277

Fisheries of the Exclusive Economic Zone Off Alaska; Pollock in Statistical Area 630 in the Gulf of Alaska

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; modification of a closure.

SUMMARY: NMFS is opening directed fishing for pollock in Statistical Area 630 of the Gulf of Alaska (GOA). This action is necessary to fully use the A season allowance of the 2011 total allowable catch (TAC) of pollock in Statistical Area 630 of the GOA.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), March 7, 2011, through 1200 hrs, A.l.t., March 10, 2011. Comments must be received at the following address no later than 4:30 p.m., A.l.t., *March 22, 2011.*

ADDRESSES: Send comments to James W. Balsiger, Regional Administrator, Alaska Region, NMFS, *Attn:* Ellen Sebastian. You may submit comments, identified by RIN 0648-XA277, by any one of the following methods:

- *Electronic Submissions:* Submit all electronic public comments via the

Federal eRulemaking Portal <http://www.regulations.gov>.

- *Mail:* P.O. Box 21668, Juneau, AK 99802.

- *Fax:* (907) 586-7557.

- *Hand delivery to the Federal Building:* 709 West 9th Street, Room 420A, Juneau, AK.

All comments received are a part of the public record. Comments will generally be posted without change. All Personal Identifying Information (for example, name, address, etc.) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information.

NMFS will accept anonymous comments (enter N/A in the required fields, if you wish to remain anonymous). You may submit attachments to electronic comments in Microsoft Word, Excel, WordPerfect, or Adobe PDF file formats only.

FOR FURTHER INFORMATION CONTACT: Josh Keaton, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the GOA exclusive economic zone according to the Fishery Management Plan for Groundfish of the Gulf of Alaska (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

NMFS closed directed fishing for pollock in Statistical Area 630 of the GOA under § 679.20(d)(1)(iii) on February 28, 2011 (76 FR 11393, March 2, 2011).

As of March 2, 2011, NMFS has determined that approximately 4,100 metric tons of pollock remain in the directed fishing allowance for pollock in Statistical Area 630 of the GOA. Therefore, in accordance with § 679.25(a)(1)(i), (a)(2)(i)(C), and (a)(2)(iii)(D), and to fully utilize the A season allowance of the 2011 TAC of pollock in Statistical Area 630 of the GOA, NMFS is terminating the previous closure and is reopening directed fishing pollock in Statistical Area 630 of the GOA. The Administrator, Alaska Region (Regional Administrator) considered the following factors in reaching this decision: (1) The current catch of pollock in Statistical Area 630 of the GOA and, (2) the harvest capacity and stated intent on future harvesting patterns of vessels in participating in this fishery.

Classification

This action responds to the best available information recently obtained from the fishery. The Assistant Administrator for Fisheries, NOAA (AA), finds good cause to waive the requirement to provide prior notice and opportunity for public comment pursuant to the authority set forth at 5 U.S.C. 553(b)(B) as such requirement is impracticable and contrary to the public interest. This requirement is impracticable and contrary to the public interest as it would prevent NMFS from responding to the most recent fisheries data in a timely fashion and would delay the opening of the pollock fishery in Statistical Area 630 of the GOA. Immediate notification is necessary to allow for the orderly conduct and efficient operation of this fishery, to allow the industry to plan for the fishing season, and to avoid potential disruption to the fishing fleet and processors. NMFS was unable to publish a notice providing time for public comment because the most recent, relevant data only became available as of March 2, 2011.

The AA also finds good cause to waive the 30-day delay in the effective date of this action under 5 U.S.C. 553(d)(3). This finding is based upon the reasons provided above for waiver of prior notice and opportunity for public comment.

Without this inseason adjustment, NMFS could not allow pollock fishery in Statistical Area 630 of the GOA to be harvested in an expedient manner and in accordance with the regulatory schedule. Under § 679.25(c)(2), interested persons are invited to submit written comments on this action to the above address until March 22, 2011.

This action is required by § 679.25 and is exempt from review under Executive Order 12866.

Authority: 16 U.S.C. 1801 *et seq.*

Dated: March 7, 2011.

Margo Schulze-Haugen,

Acting Director, Office of Sustainable Fisheries, National Marine Fisheries Service.

[Docket No. 101126521-6040-02]

RIN 0648-XA279

Fisheries of the Exclusive Economic Zone Off Alaska; Pacific Cod by Catcher Vessels Less Than 60 Feet (18.3 m) Length Overall Using Hook-and-Line or Pot Gear in the Bering Sea and Aleutian Islands Management Area

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure.

SUMMARY: NMFS is prohibiting directed fishing for Pacific cod by catcher vessels less than 60 feet (18.3 m) length overall (LOA) using hook-and-line or pot gear in the Bering Sea and Aleutian Islands management area (BSAI). This action is necessary to prevent exceeding the 2011 Pacific cod total allowable catch allocated to catcher vessels less than 60 feet LOA using hook-and-line or pot gear in the BSAI.

DATES: Effective 1200 hrs, Alaska local time (A.l.t.), March 8, 2011, through 2400 hrs, A.l.t., December 31, 2011.

FOR FURTHER INFORMATION CONTACT: Obren Davis, 907-586-7228.

SUPPLEMENTARY INFORMATION: NMFS manages the groundfish fishery in the BSAI according to the Fishery Management Plan for Groundfish of the Bering Sea and Aleutian Islands Management Area (FMP) prepared by the North Pacific Fishery Management Council under authority of the Magnuson-Stevens Fishery Conservation and Management Act. Regulations governing fishing by U.S. vessels in accordance with the FMP appear at subpart H of 50 CFR part 600 and 50 CFR part 679.

The 2011 Pacific cod total allowable catch (TAC) allocated as a directed fishing allowance to catcher vessels less than 60 feet LOA using hook-and-line or pot gear in the BSAI is 4,055 metric tons, as established by the final 2011 and 2012 harvest specification for groundfish in the BSAI (76 FR 11139, March 1, 2011).

In accordance with § 679.20(d)(1)(iii), the Administrator, Alaska Region, NMFS, has determined that the 2011 Pacific cod TAC allocated as a directed fishing allowance allocated to catcher vessels less than 60 feet LOA using hook-and-line or pot gear in the BSAI
