Additionally, parties are requested to provide their case brief and rebuttal briefs in electronic format (e.g., Microsoft Word, pdf, etc.). Interested parties, who wish to request a hearing or to participate if one is requested, must submit a written request to the Assistant Secretary for Import Administration within 30 days of the date of publication of this notice. Issues raised in the hearing will be limited to those raised in case and rebuttal briefs. The Department will issue the final results of this review, including the results of its analysis of issues raised in any such written briefs or at the hearing, if held, not later than 120 days after the date of publication of this notice.

Assessment Rate

The Department intends to issue appropriate assessment instructions directly to CBP 15 days after the publication of the final results of this review.

Since the implementation of the 1997 regulations, our practice concerning no-shipment respondents has been to rescind the administrative review if the respondent certifies that it had no shipments and we have confirmed through our examination of CBP data that there were no shipments of subject merchandise during the POR. *See Antidumping Duties; Countervailing*

Duties, 62 FR 27296, 27393 (May 19, 1997). As a result, in such circumstances, we normally instruct CBP to liquidate any entries from the no-shipment company at the deposit rate in effect on the date of entry.

In our May 6, 2003, "automatic assessment" clarification, we explained that, where respondents in an administrative review demonstrate that they had no knowledge of sales through resellers to the United States, we would instruct CBP to liquidate such entries at the all-others rate applicable to the proceeding. *See Antidumping and Countervailing Duty Proceedings: Assessment of Antidumping Duties*, 68 FR 23954 (May 6, 2003) (*Assessment Policy Notice*).

Because "as entered" liquidation instructions do not alleviate the concerns which the May 2003 clarification was intended to address, we find it appropriate in this case to instruct CBP to liquidate any existing entries of merchandise produced by Essar, Ispat, JSW, or Tata and exported by other parties at the all-others rate, should we continue to find that Essar, Ispat, and JSW had no shipments of subject merchandise to the United States, and Tata had no reviewable transactions, during the POR, in our final results. *See, e.g., Magnesium Metal From the Russian Federation: Final Results of Antidumping Duty Administrative Review*, 75 FR 56989 (September 17, 2010). In addition, the Department finds that it is more consistent with the May 2003 clarification not to rescind the review in part in these circumstances but, rather, to complete the review with respect to Essar, Ispat, JSW, and Tata and issue appropriate instructions to CBP based on the final results of the review.

Cash Deposit Requirements

The following deposit rates will be effective upon publication of the final results of this administrative review for all shipments of hot-rolled carbon steel flat products from India entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(2)(C) of the Act: (1) For Essar, Ispat, JSW, and Tata, and for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent final results in which that manufacturer or exporter participated; (2) if the exporter is not a firm covered in these reviews, a prior review, or the original less-than-fair-value ("LTFV") investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most

recent final results for the manufacturer of the merchandise; and (3) if neither the exporter nor the manufacturer is a firm covered in this or any previous review or the LTFV conducted by the Department, the cash deposit rate will be 23.87 percent, the all-others rate established in the LTFV. *See Amended Final Determination*. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping and countervailing duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping and countervailing duties occurred and the subsequent assessment of double antidumping and countervailing duties.

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act and 19 CFR 351.221(b)(4).

Dated: January 7, 2011.

Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.
