Needs and Uses: The information collection requirements included under this OMB Control Number 3060-0833 governs the filing of complaints with the Commission as part of the implementation of section 255 of the Telecommunications Act of 1996, which seeks to ensure that telecommunications equipment and services are available to all Americans, including those individuals with disabilities. As with any complaint procedure, a certain number of regulatory and information burdens are necessary to ensure compliance with FCC rules. The information collection requirements also give full effect to the accessibility policies embodied in section 255.

They do so by requiring telecommunications equipment manufacturers and service providers to make end-user product documentation available in alternate formats, including providing contact information to request such documentation, and by requiring them to demonstrate how they considered accessibility during product development.

(A) In any local market in which a satellite carrier provided local-into-local service on December 8, 2004, at least 60 days prior to any date on which a station must make an election under paragraph (c) of this section, identify each affiliate of the same television network that the carrier reserves the right to retransmit into that station's local market during the next election cycle and the communities into which the satellite carrier reserves the right to make such retransmissions;

(B) In any local market in which a satellite carrier commences local-into-local service after December 8, 2004, at least 60 days prior to the commencement of service in that market, and thereafter at least 60 days prior to any date on which the station must thereafter make an election under § 76.66(c) or (d)(2), identify each affiliate of the same television network that the carrier reserves the right to retransmit into that station's local market during the next election cycle.

47 CFR Section 76.66 (f)(4) states a satellite carrier may relocate its local receive facility at the commencement of each election cycle. A satellite carrier is also permitted to relocate its local receive facility during the course of an election cycle, if it bears the signal delivery costs of the television stations affected by such a move. A satellite carrier relocating its local receive facility must provide 60 days notice to all local television stations carried in the affected television market.

47 CFR Section 76.66 (h)(5) states a satellite carrier shall provide notice to its subscribers, and to the affected television station, whenever it adds or deletes a station's signal in a particular local market pursuant to this paragraph.

47 CFR 76.66 (m)(1) states whenever a local television broadcast station believes that a satellite carrier has failed to meet its obligations under this section, such station shall notify the carrier, in writing, of the alleged failure and identify its reasons for believing that the satellite carrier failed to comply with such obligations.

47 CFR 76.66 (m)(2) states the satellite carrier shall, within 30 days after such written notification, respond in writing to such notification and comply with such obligations or state its reasons for believing that it is in compliance with such obligations.

47 CFR 76.66 (m)(3) states a local television broadcast station that disputes a response by a satellite carrier that it is in compliance with such obligations may obtain review of such denial or response by filing a complaint with the Commission, in accordance with § 76.7 of title 47, Code of Federal Regulations. Such complaint shall allege the manner in which such satellite carrier has failed to meet its obligations and the basis for such allegations.

BILLING CODE 6712-01-P

FEDERAL FINANCIAL INSTITUTIONS EXAMINATION COUNCIL

[Docket No. AS11-08]

Statutory Provisions Affecting State Appraiser Regulatory Programs

AGENCY: Appraisal Subcommittee (ASC) of the Federal Financial Institutions Examination Council.

ACTION: Notice of Statutory Provisions Affecting State Appraiser Regulatory Programs.

SUMMARY: The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Dodd-Frank Act) contains a number of provisions addressing the authority of the Appraisal Subcommittee (ASC) and requirements for States' appraiser regulatory programs. The ASC is issuing Bulletin No. 2011-01 to provide information to the State appraiser regulatory officials on certain changes to the ASC's review process for monitoring State Appraiser Regulatory Programs which will be implemented July 1, 2011, and the statutory provisions that States must implement by July 1, 2013. To provide sufficient time for States to amend their rules, regulations, or operating procedures, the ASC is providing States with a two-year implementation period for requirements addressed in the bulletin.

DATES: *Effective Date:* July 1, 2013 for States' Implementation of Statutory Provisions; July 1, 2011 for Revisions to the ASC's State Compliance Review Process.

FOR FURTHER INFORMATION CONTACT: James R. Park, Executive Director, at

(202) 595-7575, or Alice M. Ritter, General Counsel, at (202) 595-7577, via Internet e-mail at jim@asc.gov and alice@asc.gov, respectively, or by U.S. Mail at Appraisal Subcommittee, 1401 H Street, NW., Suite 760, Washington, DC 20005.

SUPPLEMENTARY INFORMATION: The ASC issued the following Bulletin 2011-01, Statutory Provisions Affecting State Appraiser Regulatory Programs, on March 18, 2011.

The Appraisal Subcommittee (ASC) is issuing this Bulletin to State Appraiser Regulatory Officials to provide information on compliance with certain provisions in the Dodd-Frank Act. The Dodd-Frank Act amended several sections of Title XI of the Financial Institutions Reform, Recovery, and Enforcement Act of 1989 (FIRREA Title XI). This Bulletin addresses the following provisions:

- Reciprocity.
- Qualification requirements for State licensed appraisers.
- Minimum requirements for trainee appraisers and supervisory appraisers.
- Course approval program of the Appraisal Foundation's Appraiser Qualifications Board (AQB).
- ASC monitoring of funding and staff resources available to State appraiser regulatory programs (State Programs).

This Bulletin outlines changes to the ASC's process for monitoring State Programs, the requirements that States must implement, with statutory references, as well as the effective dates for compliance. Recognizing States may need to amend their rules and/or regulations, or revise their operating procedures, the ASC is providing States with a two-year implementation period for certain of the above the provisions. As part of its State Compliance Review Process, the ASC will continue to evaluate State Programs for compliance with FIRREA Title XI and the ASC Policy Statements, including those that cover topics addressed in the Dodd-Frank Act.

Provisions With a Two-Year Implementation Period

Effective July 1, 2013, the ASC will begin reviewing State Programs for compliance with the following three requirements. Over the next two years, the ASC will monitor States' efforts to implement the requirements.

- *Reciprocity:* Provisions of the Dodd-Frank Act require States to have in place a policy for issuing a reciprocal certification or license to an appraiser from another State under specific conditions. Moreover, a Federally regulated financial institution may not
