**Proposed Project:** Wellness Program  
 Study: Assessing the Impact of  
 Workplace Health and Wellness  
 Programs—OMB No. 0990-NEW—  
 Assistant Secretary for Planning  
 Evaluation (ASPE)

**Abstract:** The Office of the Assistant  
 Secretary for Planning and Evaluation  
 (ASPE) and the Employee Benefits  
 Security Administration (EBSA) is  
 requesting Office of Management and  
 Budget (OMB) approval on a new  
 collection to conduct a survey on  
 employers to learn about their  
 experiences and attitudes regarding  
 workplace wellness programs. ASPE  
 will use the employers' experience to  
 assess the effectiveness and impact of

workplace wellness programs, as well as  
 identify best practices and lessons  
 learned in program implementation  
 with a particular focus on the use of  
 incentives. As part of the study, a one-  
 time, self-administered survey will be  
 administered to 3,000 employers  
 selected from the Dun & Bradstreet  
 database, a comprehensive listing of  
 private companies and government  
 agencies in the U.S. The survey will  
 assess prevalence and type of wellness  
 programs as well as the use of employee  
 incentives. The survey design and  
 content is informed by a review of the  
 literature on the characteristics,  
 prevalence and impact of workplace  
 wellness programs. Data collection will  
 also include employee focus groups and  
 key informant semi-structured  
 interviews at each of 4 employer sites  
 that will inform in-depth case studies of  
 those employers. The focus groups will  
 consist of 12 employees and will be  
 conducted to get the end-user  
 perspective on the impact and  
 effectiveness of the wellness program.  
 The key informant interviews will be  
 carried out with 5 wellness leaders at  
 each employer, and will gather  
 information on employer background,  
 health insurance and wellness programs  
 offered, and anticipated changes due to  
 the Affordable Care Act. Data collection  
 activities will be completed within 18  
 months of OMB Clearance.
