BILLING CODE 6712-01-P

FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 73

[DA 11-488]

Update Station License Expiration Dates

AGENCY: Federal Communications Commission.

ACTION: Final rule.

SUMMARY: In this document the Federal Communications Commission updates its rules to reflect the current license expiration dates for radio and television broadcast stations. The current version of the rule specifies license expiration dates from 2011 through 2014 for radio stations and 2012 through 2015 for television stations; these expiration dates are long out of date. Modifying the rule will enable broadcast station licensees to quickly peruse the rule to determine when their stations' licenses will expire. It will also accurately reflect the expiration dates listed both in the Commission's data base and on the broadcast stations' most recent license or renewal authorization.

DATES: Effective April 12, 2011.

FOR FURTHER INFORMATION CONTACT: Michael Wagner 202-418-2775.

SUPPLEMENTARY INFORMATION: The Federal Communications Commission considers this rule to be a procedural rule change which is exempt from notice-and-comment under 5 U.S.C. 553(b)(3)(A).

This rule is not a significant rule for purposes of Executive Order 12866 and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, the Federal Communications Commission certifies that these regulatory amendments will not have a significant impact on small business entities.

The Commission will not send a copy of this item pursuant to the Congressional Review Act, see 5 U.S.C. 801(a)(1)(A), because the changes made involve only the year in which broadcast station licenses expire. There are no substantive or procedural changes to any rule.

This document does not contain proposed information collection requirements subject to the Paperwork Reduction Act of 1995, Public Law 104-

13. In addition, therefore, it does not contain any proposed information collection burden "for small business concerns with fewer than 25 employees," pursuant to the Small Business Paperwork Relief Act of 2002, Public Law 107-198, see 44 U.S.C. 3506(c)(4).
