FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection Submitted to the Office of Management and Budget (OMB) for Emergency Review and Approval, Comments Requested

April 12, 2011.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act (PRA) of 1995, 44 U.S.C. 3501-3520. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology, and (e) ways to further reduce the information collection burden on small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a currently valid OMB control number.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before May 4, 2011. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-395-5167 or via the Internet at Nicholas_A_Fraser@omb.eop.gov and to the Federal Communications Commission via e-mail to PRA@fcc.gov and Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information, contact Cathy Williams on (202) 418-2918.

SUPPLEMENTARY INFORMATION: The Commission is requesting emergency

OMB processing of the information collection requirement(s) contained in this notice and has requested OMB approval 30 days after the collection is received at OMB.

To view a copy of this information collection request (ICR) submitted to OMB: (1) Go to the web page <http://www.reginfo.gov/public/do/PRAMain>, (2) look for the section of the web page called "Currently Under Review," (3) click on the downward-pointing arrow in the "Select Agency" box below the "Currently Under Review" heading, (4) select "Federal Communications Commission" from the list of agencies presented in the "Select Agency" box, (5) click the "Submit" button to the right of the "Select Agency" box, (6) when the list of FCC ICRs currently under review appears, look for the OMB control number of this ICR and then click on the ICR Reference Number. A copy of the FCC submission to OMB will be displayed.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit.

Number of Respondents and Responses: 28 respondents; 174 responses.

Estimated Time per Response: 1 minute (.017 hours) to 75 hours.

Frequency of Response: Monthly and one-time reporting requirements.

Obligation to Respond: Required to obtain or retain benefit. The statutory authority for the information collection requirements is found at Section 225 of the Communications Act, 47 U.S.C. 225. The law was enacted on July 26, 1990, as Title IV of the ADA, Public Law 101-336, 104 Stat. 327, 366-69.

Total Annual Burden: 378 hours.

Total Annual Cost: None.

Nature and Extent of Confidentiality: An assurance of confidentiality is not offered because this information collection does not require the collection of personally identifiable information (PII) from individuals.

Privacy Impact Assessment: No impact(s).

Needs and Uses: On April 6, 2011, in document FCC 11-54, the Commission released a *Report and Order* adopting final rules designed to eliminate the waste, fraud and abuse that has plagued the VRS program and had threatened its ability to continue serving Americans who use it and its long-term viability. The Report and Order contains emergency information collection

requirements on request for waiver of the new eligibility requirement for provider. This requirement aims to allow potential providers to apply for waiver of the new requirement so that these providers may continue to provide VRS on an interim basis until the new certification process becomes effective.

Potential VRS providers wishing to receive a temporary waiver shall provide, in writing, a description of the specific requirement(s) for which it is seeking a waiver, along with documentation demonstrating the applicant's plan and ability to come into compliance with all of these requirements (other than the certification requirement) within a specified period of time, which shall not exceed three months from the date on which the rules become effective. Evidence of the applicant's plan and ability to come into compliance with the new rules shall include the applicant's detailed plan for modifying its business structure and operations in order to meet the new requirements, along with submission of the following relevant documentation to support the waiver request:

- A copy of each deed or lease for each call center operated by the applicant;
- A list of individuals or entities that hold at least a 10 percent ownership share in the applicant's business and a description of the applicant's organizational structure, including the names of its executives, officers, partners, and board of directors;
- A list of all of the names of applicant's full-time and part-time employees;
- Proofs of purchase or license agreements for use of all equipment and/or technologies, including hardware and software, used by the applicant for its call center functions, including but not limited to, automatic call distribution (ACD) routing, call setup, mapping, call features, billing for compensation from the TRS fund, and registration;
- Copies of employment agreements for all of the provider's executives and CAs;
- A list of all financing arrangements pertaining to the provision of Internet-based relay service, including documentation on loans for equipment, inventory, property, promissory notes, and liens;
- Copies of all other agreements associated with the provision of Internet-based relay service; and
- A list of all sponsorship arrangements (e.g., those providing financial support or in-kind interpreting or personnel service for social activities

in exchange for brand marketing), including any associated agreements.

FEDERAL RESERVE SYSTEM

Federal Open Market Committee; Domestic Policy Directive of March 15, 2011

In accordance with Section 271.25 of its rules regarding availability of information (12 CFR part 271), there is set forth below the domestic policy directive issued by the Federal Open Market Committee at its meeting held on March 15, 2011.¹

The Federal Open Market Committee seeks monetary and financial conditions that will foster price stability and promote sustainable growth in output. To further its long-run objectives, the Committee seeks conditions in reserve markets consistent with federal funds trading in a range from 0 to ¼ percent. The Committee directs the Desk to execute purchases of longer-term Treasury securities in order to increase the total face value of domestic securities held in the System Open Market Account to approximately \$2.6 trillion by the end of June 2011. The Committee also directs the Desk to reinvest principal payments from agency debt and agency mortgage-backed securities in longer-term Treasury securities. The System Open Market Account Manager and the Secretary will keep the Committee informed of ongoing developments regarding the System's balance sheet that could affect the attainment over time of the Committee's objectives of maximum employment and price stability.

By order of the Federal Open Market Committee, April 6, 2011.

William B. English,

Secretary, Federal Open Market Committee.

SUPPLEMENTARY INFORMATION:

Proposed Statement of Antitrust Enforcement Policy Regarding Accountable Care Organizations Participating in the Medicare Shared Savings Program

I. Introduction

The Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act of 2010 (collectively, the "Affordable Care Act") seek to improve the quality and reduce the costs of health care services in the United States by, among other things, encouraging physicians, hospitals, and other health care providers to become accountable for a patient population through integrated health care delivery systems.¹ One delivery system reform is
