As such, references to parts 4 and 9 regulatory sections within Notice No. 34 may no longer be valid. For example, the regulation outlining the requirements that a proposed viticultural area petition must meet, formerly located in § 9.3, is now contained in § 9.12. To view T.D. TTB-90, go to <http://edocket.access.gpo.gov/2011/pdf/2011-1138.pdf>; to view 27 CFR parts 4 and 9 in their current form, go to the e-CFR at <http://www.gpoaccess.gov/ecfr/>.

Determination To Re-Open Public Comment Period

Given the conflicting evidence provided by the original petitioner and by some commenters with respect to the distinguishing features and boundary of the proposed viticultural area, and the length of time that has passed since TTB published Notice No. 34 and solicited public comments on the proposed establishment of the Fort Ross-Seaview viticultural area, TTB has determined that it would be appropriate to re-open the comment period before taking any final action concerning Notice No. 34. Therefore, TTB reopens the comment period for Notice No. 34 for an additional 45 days, and comments are thus due on or before June 6, 2011.

Public Participation

Comments Invited

TTB invites comments from interested members of the public on whether or not the agency should establish the proposed "Fort Ross-Seaview" viticultural area in Sonoma County, California. TTB is especially interested in receiving comments on the sufficiency and accuracy of the proposed viticultural area's name, "Fort Ross-Seaview," on the name's applicability to the proposed northern expansion area, and on any alternative names for the proposed viticultural area and the northern expansion area. TTB also is especially interested in public comments on the appropriateness of the proposed viticultural area's boundaries—is the proposed viticultural area limited to the boundaries outlined in Notice No. 34 or does the area extend further to the north as stated by opposing commenters? Please provide specific information in support of your comments.

Copies of the original 2003 Fort Ross-Seaview petition, Notice No. 34, the original comments received in response to that notice, the documentation
