BILLING CODE 1505–01–D

DEPARTMENT OF THE INTERIOR

National Park Service

36 CFR Part 7

RIN 1024–AD96

Special Regulation: Areas of the National Park System, National Capital Region

AGENCY: National Park Service, Interior.

ACTION: Final rule.

SUMMARY: The National Park Service (NPS) is physically moving the office of the Division of Park Programs, National Mall and Memorial Parks (NAMA) which processes applications for special events and demonstrations permits for nine parks in the National Capital Region (NCR). This rule updates the address and location of the office where

these permit applications may be obtained and where completed applications are to be submitted by mail or in person.

DATES: Effective March 28, 2011.

FOR FURTHER INFORMATION CONTACT:

Robbin M. Owen, Chief, Division of Park Programs, National Park Service, National Capital Region, 900 Ohio Drive SW., Washington, DC 20024. Telephone: (202) 619–7225.

SUPPLEMENTARY INFORMATION: During the fourth week of March, the NPS is expecting to move the Division of Park Programs from 1100 Ohio Drive, SW., to the nearby 900 Ohio Drive, SW., Washington, DC 20024. Now codified at 36 CFR 7.96(g)(3), the NPS 1975 rulemaking established a centralized location where permit applications for special events and demonstrations, must be submitted, Monday–Friday from 8 a.m. to 4 p.m., holidays excepted. As the NPS explained the NCR regulatory permit application process the:

Applications will be immediately date-and-time stamped upon receipt. * * * This provision for official receipt only during office hours is designed to permit the Park Service to properly process applications within the prescribed time period. 40 FR 58652 (1975)

As Acting Secretary of the Interior Nathaniel P. Reed explained, at 41 FR 12880 (1976):

It is the opinion of the Department that receipt of the application in this single location is necessary in order to effectively administer the priority system for the use of park lands, to ensure that the application will be considered by an official of responsible rank, and to allow for consideration of the permit within the applicable time limitation. Even though executed permit applications must be received at that location, application blanks may be obtained at other locations in the National Capital Parks area. * * *

As to why applications had to be received at the permit offices during regular business hours, the NPS explained at 41 FR 12880 (1976), that:

[T]his limitation is necessary in order that the required security precautions and augmentation of forces and services may be provided. The Department has weighed the administrative burdens that the absence of this limitation would impose upon the various government agencies involved against possible effects upon the exercise of First Amendment freedoms and believes on balance that these effects are inconsequential. This impact is further lessened since demonstrations may be conducted in certain areas without permit pursuant to paragraph (b).

Need for Change: The technical amendment is needed to provide the public with the new address of the relocated permit office where special
