Background

A copy of the proposed Section 4(f) Policy Paper is available for download and public inspection under the docket number noted above at the Federal eRulemaking portal at: <http://www.regulations.gov>. The FHWA invites comments on the proposed policy paper. The FHWA requests that commenters cite the page number of the policy paper for which each specific comment to the docket is concerned, to help make the FHWA's docket comment review process more efficient.

The Section 4(f) Policy Paper was written primarily to aid FHWA personnel with administering Section 4(f) in a consistent manner across the country and is intended to supplement the FHWA's regulations governing Section 4(f). Section 4(f) concerns the use of land from publicly owned parks, recreation areas, wildlife and waterfowl refuges, and public or private historic sites for Federal highway projects. Although these requirements are now codified at 23 U.S.C. 138 and 49 U.S.C. 303, the subject matter remains commonly referred to as "Section 4(f)" because the requirements originated in Section 4(f) of the Department of Transportation Act of 1966 (Pub. L. 89-670, 80 Stat. 931). The FHWA's Section 4(f) regulations, entitled "Parks, Recreation Areas, Wildlife and Waterfowl Refuges, and Historic Sites," were promulgated in 2008 and are codified at 23 CFR Part 774. When finalized, this draft Section 4(f) Policy Paper will replace the previous Section 4(f) Policy Paper that was issued by FHWA in 2005. Congress amended Section 4(f) in Section 6009 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU) (Pub. L. 109-59, Aug. 10, 2005, 119 Stat. 1144). This draft Section 4(f) Policy Paper incorporates the changes required by Section 6009 of SAFETEA-LU and the 2008 regulations.

Comments on the draft Section 4(f) Policy Paper are welcome from any interested party, including highway project applicants; Federal, State, and local resource agencies; industry trade groups; environmental organizations; and the general public. The FHWA will consider all comments received during the comment period prior to finalizing the Section 4(f) Policy Paper.

Authority: 23 U.S.C. 101, 109, 138 and 139; 23 CFR 1.32 and 774; 49 U.S.C. 303; and, 49 CFR 1.48(b).

Issued on: December 21, 2011.

Victor M. Mendez,
Administrator.
