

## Commodity Futures Trading Commission

## § 1.38

the depositories or other places where such securities or property are segregated; the dates of deposits and withdrawals from such depositories; and the dates of return of such securities or property to such customer or option customer, or other disposition thereof, together with the facts and circumstances of such other disposition. In the event any futures commission merchant deposits with the clearing organization of a contract market, directly or with a bank or trust company acting as custodian for such clearing organization, securities and/or property which belong to a particular customer or option customer, such futures commission merchant shall obtain written acknowledgment from such clearing organization that it was informed that such securities or property belong to customers or option customers of the futures commission merchant making the deposit. Such acknowledgment shall be retained as provided in § 1.31.

(b) Each clearing organization of a contract market which receives from members securities or property belonging to particular customers or option customers of such members in lieu of money to margin, purchase, guarantee, or secure the commodity or commodity option transactions of such customers or option customers, or receives notice that any such securities or property have been received by a bank or trust company acting as custodian for such clearing organization, shall maintain, as provided in § 1.31, a record which will show separately for each member, the dates when such securities or property were received, the identity of the depositories or other places where such securities or property are segregated, the dates such securities or property were returned to the member, or otherwise disposed of, together with the facts and circumstances of such other disposition including the authorization therefor.

### **§ 1.37 Customer's or option customer's name, address, and occupation recorded; record of guarantor or controller of account.**

(a) Each futures commission merchant, introducing broker, and member of a contract market shall keep a record in permanent form which shall show for each commodity futures or option account carried or introduced by it the true name and address of the person for whom such account is carried or introduced and the principal occupation or business of such person as well as the name of any other person guaranteeing such account or exercising any trading control with respect to such account. For each such commodity option account, the records kept by such futures commission merchant, introducing broker, and member of a contract market must also show the name of the person who has solicited and is responsible for each option customer's account or assign account numbers in such a manner to identify that person.

(b) As of the close of the market each day, each futures commission merchant which carries an account for another futures commission merchant, foreign broker (as defined in § 15.00 of this chapter), member of a contract market, or other person, on an omnibus basis shall maintain a daily record for each such omnibus account of the total open long contracts and the total open short contracts in each future and, for commodity option transactions, the total open put options purchased, the total open put options granted, the total open call options purchased, and the total open call options granted for each commodity option expiration date.

(The information collection requirements contained in § 1.37 were approved by the Office of Management and Budget under control numbers 3038-0007 and 3038-0024; and in paragraph (b) under control number 3038-0009)

### **§ 1.38 Execution of transactions.**

(a) *Competitive execution required; exceptions.* All purchases and sales of any commodity for future delivery, and of

### § 1.39

### 17 CFR Ch. I (4-1-01 Edition)

any commodity option, on or subject to the rules of a contract market shall be executed openly and competitively by open outcry or posting of bids and offers or by other equally open and competitive methods, in the trading pit or ring or similar place provided by the contract market, during the regular hours prescribed by the contract market for trading in such commodity or commodity option: *Provided, however,* That this requirement shall not apply to transactions which are executed non-competitively in accordance with written rules of the contract market which have been submitted to and approved by the Commission, specifically providing for the non-competitive execution of such transactions.

(b) *Noncompetitive trades; exchange of futures, etc.; requirements.* Every person handling, executing, clearing, or carrying trades, transactions or positions which are not competitively executed, including transfer trades or office trades, or trades involving the exchange of futures for cash commodities or the exchange of futures in connection with cash commodity transactions, shall identify and mark by appropriate symbol or designation all such transactions or contracts and all orders, records, and memoranda pertaining thereto.

#### **§ 1.39 Simultaneous buying and selling orders of different principals; execution of, for and between principals.**

(a) *Conditions and requirements.* A member of a contract market who shall have in hand at the same time both buying and selling orders of different principals for the same commodity for future delivery in the same delivery month or the same option (both puts or both calls, with the same underlying contract for future delivery or the same underlying physical, expiration date and strike price) may execute such orders for and directly between such principals at the market price, if in conformity with written rules of

such contract market which have been approved by the Commission, and:

(1)(i) When trading is conducted in a trading pit or ring, such orders are first offered openly and competitively by open outcry in such trading pit or ring (A) by both bidding and offering at the same price, and neither such bid nor offer is accepted, or (B) by bidding and offering to a point where such offer is higher than such bid by not more than the minimum permissible price fluctuation applicable to such futures contract or commodity option on such contract market, and neither such bid nor offer is accepted; or

(ii) When in nonpit trading in contracts of sale for future delivery, bids and offers are posted on a board, such member (A) pursuant to such buying order posts a bid on the board and, incident to the execution of such selling order, accepts such bid and all other bids posted at prices equal to or higher than the bid posted by him, or (B) pursuant to such selling order posts an offer on the board and, incident to the execution of such buying order, accepts such offer and all other offers posted at prices equal to or lower than the offer posted by him;

(2) Such member executes such orders in the presence of an official representative of such contract market designated to observe such transactions and, by appropriate descriptive words or symbol, clearly identifies all such transactions on his trading card or other similar record, made at the time of execution, and notes thereon the exact time of execution and promptly presents said record to such official representative for verification and initialing;

(3) Such contract market keeps a record in permanent form of each such transaction showing the transaction date, by whom executed, the exact time of execution, quantity, and, as applicable, underlying commodity, contract for future delivery or physical, price or premium, whether a put or a call, and strike price; and

(4) Neither the futures commission merchant receiving nor the member executing such orders has any interest therein, directly or indirectly, except as a fiduciary.
