

Commodity Futures Trading Commission

§ 15.01

(e) *Trader* means a person who, for his own account or for an account which he controls, makes transactions in commodity futures or options, or has such transactions made.

(f) *Customer trading program* means any system of trading offered, sponsored, promoted, managed or in any other way supported by, or affiliated with, a futures commission merchant, an introducing broker, a commodity trading advisor, a commodity pool operator, or other trader, or any of its officers, partners or employees, and which by agreement, recommendations, advice or otherwise, directly or indirectly controls trading done and positions held by any other person. The term includes, but is not limited to, arrangements where a program participant enters into an expressed or implied agreement not obtained from other customers and makes a minimum deposit in excess of that required of other customers for the purpose of receiving specific advice or recommendations which are not made available to other customers. The term includes any program which is of the character of, or is commonly known to the trade as, a managed account, guided account, discretionary account, commodity pool or partnership account.

(g) *Guided account program* means any customer trading program which limits trading to the purchase or sale of a particular contract for future delivery of a commodity or a particular commodity option that is advised or recommended to the participant in the program.

(h) *Discretionary account* means a commodity futures or commodity option trading account for which buying and/or selling orders can be placed or originated, or for which transactions can be effected, under a general authorization and without the specific consent of the customer, whether the general authorization for such orders or transactions is pursuant to a written agreement, power of attorney, or otherwise.

(i) *Managed account program*. This term means a customer trading program which includes two or more discretionary accounts traded pursuant to a common plan, advice or recommendations.

(j) *Customer* means “customer” (as defined in §1.3(k)) and “option customer” (as defined in §1.3(jj)).

(k) *Open contracts* means “open contracts” as defined in §1.3(t) and commodity option positions held by any person on or subject to the rules of a contract market which have not expired, been exercised, or offset.

(l) *Compatible data processing media*. This term means data processing media approved by the Commission or its designee. The Commission hereby delegates, until the Commission orders otherwise, the authority to approve data processing media for data submissions to the Executive Director to be exercised by such Director or by such other employee or employees of such Director as designated from time to time by the Director. The Executive Director may submit to the Commission for its consideration any matter which has been delegated in this paragraph. Nothing in this paragraph prohibits the Commission, at its election, from exercising the authority delegated in this paragraph.
