

## §210.3-02

on Form 10-K and Form 10-KSB or Form 10 and Form 10-SB, made after 45 days but within 90 days of the end of the registrant's fiscal year: *Provided*, That the following conditions are met:

(1) The registrant files annual, quarterly and other reports pursuant to section 13 or 15(d) of the Securities Exchange Act of 1934 and all reports due have been filed;

(2) For the most recent fiscal year for which audited financial statements are not yet available the registrant reasonably and in good faith expects to report income, after taxes but before extraordinary items and cumulative effect of a change in accounting principle; and

(3) For at least one of the two fiscal years immediately preceding the most recent fiscal year the registrant reported income, after taxes but before extraordinary items and cumulative effect of a change in accounting principle.

(d) For filings made after 45 days but within 90 days of the end of the registrant's fiscal year where the conditions set forth in paragraph (c) of this section are not met, the filing must include the audited balance sheets required by paragraph (a) of this section.

(e) For filings made after 134 days subsequent to the end of the registrant's most recent fiscal year the filing shall also include a balance sheet as of an interim date within 135 days of the date of filing.

(f) Any interim balance sheet provided in accordance with the requirements of this section may be unaudited and need not be presented in greater detail than is required by §210.10-01. Notwithstanding the requirements of this section, the most recent interim balance sheet included in a filing shall be at least as current as the most recent balance sheet filed with the Commission on Form 10-Q and Form 10-QSB.

(g) For filings by registered management investment companies, the requirements of §210.3-18 shall apply in lieu of the requirements of this section.

(h) Any foreign private issuer, other than a registered management investment company or an employee plan, may file the financial statements required by Item 8.A of Form 20-F (§249.220 of this chapter) in lieu of the

### §210.3-02 Consolidated statements of income and changes in financial positions.

(a) There shall be filed, for the registrant and its subsidiaries consolidated and for its predecessors, audited statements of income and cash flows for each of the three fiscal years preceding the date of the most recent audited balance sheet being filed or such shorter period as the registrant (including predecessors) has been in existence.

(b) In addition, for any interim period between the latest audited balance sheet and the date of the most recent interim balance sheet being filed, and for the corresponding period of the preceding fiscal year, statements of income and cash flows shall be provided. Such interim financial statements may be unaudited and need not be presented in greater detail than is required by §210.10-01.

(c) For filings by registered management investment companies, the requirements of §210.3-18 shall apply in lieu of the requirements of this section.

(d) Any foreign private issuer, other than a registered management investment company or an employee plan, may file the financial statements required by Item 8.A of Form 20-F (§249.220 of this chapter) in lieu of the financial statements specified in this rule.

### §210.3-03 Instructions to income statement requirements.

(a) The statements required shall be prepared in compliance with the applicable requirements of this regulation.

(b) If the registrant is engaged primarily (1) in the generation, transmission or distribution of electricity, the manufacture, mixing, transmission or distribution of gas, the supplying or

distribution of water, or the furnishing of telephone or telegraph service; or (2) in holding securities of companies engaged in such businesses, it may at its option include statements of income and cash flows (which may be unaudited) for the twelve-month period ending on the date of the most recent balance sheet being filed, in lieu of the statements of income and cash flows for the interim periods specified.

(c) If a period or periods reported on include operations of a business prior to the date of acquisition, or for other reasons differ from reports previously issued for any period, the statements shall be reconciled as to sales or revenues and net income in the statement or in a note thereto with the amounts previously reported: *Provided, however*, That such reconciliations need not be made (1) if they have been made in filings with the Commission in prior years or (2) the financial statements which are being retroactively adjusted have not previously been filed with the Commission or otherwise made public.

(d) Any unaudited interim financial statements furnished shall reflect all adjustments which are, in the opinion of management, necessary to a fair statement of the results for the interim periods presented. A statement to that effect shall be included. Such adjustments shall include, for example, appropriate estimated provisions for bonus and profit sharing arrangements normally determined or settled at year-end. If all such adjustments are of a normal recurring nature, a statement to that effect shall be made; otherwise, there shall be furnished information describing in appropriate detail the nature and amount of any adjustments other than normal recurring adjustments entering into the determination of the results shown.

(e) Disclosures regarding segments required by generally accepted accounting principles shall be provided for each year for which an audited statement of income is provided. To the extent that the segment information presented pursuant to this instruction complies with the provisions of Item 101 of Regulation S-K, the disclosures may be combined by cross ref-

erencing to or from the financial statements.

#### § 210.3-04 Changes in other stockholders' equity.

An analysis of the changes in each caption of other stockholders' equity presented in the balance sheets shall be given in a note or separate statement. This analysis shall be presented in the form of a reconciliation of the beginning balance to the ending balance for each period for which an income statement is required to be filed with all significant reconciling items described by appropriate captions. State separately the adjustments to the balance at the beginning of the earliest period presented for items which were retroactively applied to periods prior to that period. With respect to any dividends, state the amount per share and in the aggregate for each class of shares.
