§ 230.461 Acceleration of effective date.

(a) Requests for acceleration of the effective date of a registration statement shall be made by the registrant and the managing underwriters of the proposed issue, or, if there are no managing underwriters, by the principal underwriters of the proposed issue, and shall state the date upon which it is desired that the registration statement shall become effective. Such requests may be made in writing or orally, provided that, if an oral request is to be made, a letter indicating that fact and stating that the registrant and the managing or principal underwriters are aware of their obligations under the Act must accompany the registration statement for a pre-effective amendment thereto) at the time of filing with the Commission. Written requests may be sent to the Commission by facsimile transmission. If, by reason of the expected arrangement in connection with the offering, it is to be requested that the registration statement shall become effective at a particular hour of the day, the Commission must be advised to that effect not later than the

second business day before the day which it is desired that the registration statement shall become effective. A person's request for acceleration will be considered confirmation of such person's awareness of the person's obligations under the Act. Not later than the time of filing the last amendment prior to the effective date of the registration statement, the registrant shall inform the Commission as to whether or not the amount of compensation to be allowed or paid to the underwriters and any other arrangements among the registrant, the underwriters and other broker dealers participating in the distribution, as described in the registration statement, have been reviewed to the extent required by the National Association of Securities Dealers, Inc. and such Association has issued a statement expressing no objections to the compensation and other arrangements.

(b) Having due regard to the adequacy of information respecting the registrant theretofore available to the public, to the facility with which the nature of the securities to be registered, their relationship to the capital structure of the registrant issuer and the rights of holders thereof can be understood, and to the public interest and the protection of investors, as provided in section 8(a) of the Act, it is the general policy of the Commission, upon request, as provided in paragraph (a) of this section, to permit acceleration of the effective date of the registration statement as soon as possible after the filing of appropriate amendments, if any. In determining the date on which a registration statement shall become effective, the following are included in the situations in which the Commission considers that the statutory standards of section 8(a) may not be met and may refuse to accelerate the effective date:

(1) Where there has not been a bona fide effort to make the prospectus reasonably concise, readable, and in compliance with the plain English requirements of Rule 421(d) of Regulation C (17 CFR 230.421(d)) in order to facilitate an understanding of the information in the prospectus.

(2) Where the form of preliminary prospectus, which has been distributed

by the issuer or underwriter, is found to be inaccurate or inadequate in any material respect, until the Commission has received satisfactory assurance that appropriate correcting material has been sent to all underwriters and dealers who received such preliminary prospectus or prospectuses in quantity sufficient for their information and the information of others to whom the inaccurate or inadequate material was sent.

(3) Where the Commission is currently making an investigation of the issuer, a person controlling the issuer, or one of the underwriters, if any, of the securities to be offered, pursuant to any of the Acts administered by the Commission.

(4) Where one or more of the underwriters, although firmly committed to purchase securities covered by the registration statement, is subject to and does not meet the financial responsibility requirements of Rule 15c3-1 under the Securities Exchange Act of 1934 (§240.15c3-1 of this chapter). For the purposes of this paragraph underwriters will be deemed to be firmly committed even though the obligation to purchase is subject to the usual conditions as to receipt of opinions of counsel, accountants, etc., the accuracy of warranties or representations, the happening of calamities or the occurrence of other events the determination of which is not expressed to be in the sole or absolute discretion of the underwriters.

(5) Where there have been transactions in securities of the registrant by persons connected with or proposed to be connected with the offering which may have artificially affected or may artificially affect the market price of the security being offered.

(6) Where the amount of compensation to be allowed or paid to the underwriters and any other arrangements among the registrant, the underwriters and other broker dealers participating in the distribution, as described in the registration statement, if required to be reviewed by the National Association of Securities Dealers, Inc. (NASD), have been reviewed by the NASD and the NASD has not issued a statement expressing no objections to the compensation and other arrangements.

(7) Where, in the case of a significant secondary offering at the market, the registrant, selling security holders and underwriters have not taken sufficient measures to insure compliance with Regulation M (§§ 242.100 through 242.105 of this chapter).

(c) Insurance against liabilities arising under the Act, whether the cost of insurance is borne by the registrant, the insured or some other person, will not be considered a bar to acceleration, unless the registrant is a registered investment company or a business development company and the cost of such insurance is borne by other than an insured officer or director of the registrant. In the case of such a registrant, the Commission may refuse to accelerate the effective date of the registration statement when the registrant is organized or administered pursuant to any instrument (including a contract for insurance against liabilities arising under the Act) that protects or purports to protect any director or officer of the company against any liability to the company or its security holders to which he or she would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his or her office.

§ 230.462 Immediate effectiveness of certain registration statements and post-effective amendments.

(a) A registration statement on Form S-8 (§239.16b of this chapter) and a registration statement on Form S-3 (§239.13 of this chapter) or on Form F-3 (§239.33 of this chapter) for a dividend or interest reinvestment plan shall become effective upon filing with the Commission.

(b) A registration statement and any post-effective amendment thereto shall become effective upon filing with the Commission if:

(1) The registration statement is for registering additional securities of the same class(es) as were included in an earlier registration statement for the
