Three copies of each such submission must be furnished to the Commission at its Washington, DC headquarters. Attn: Secretariat. The Commission may return any submission which does not comply with the form and content requirements of this section. Each such submission must, in the following order:

(d) *Authority to disapprove amendments.* The Commission may disapprove, alter, or amend changes to the distinguishing characteristics of the registered leverage commodity, or to the terms and conditions of the leverage contracts offered thereon, after appropriate notice and opportunity for hearing, when the Commission determines that such a change is in viola-

tion of any of the provisions of the Act or any of the regulations thereunder, or that it is necessary or appropriate to ensure the financial solvency of leverage transactions or prevent manipulation or fraud. Upon notification by the Commission of its determination to disapprove, alter or amend such changes, the proposed changes will not become effective pending a final determination by the Commission to disapprove, alter, or amend such changes.

(e) *Authority to alter or amend specifications of the registered leverage commodity or the terms and conditions of leverage contract.* The Commission may alter or amend specific distinguishing characteristics of the registered leverage commodity or the terms and conditions of leverage contracts after appropriate notice and opportunity for hearing when the Commission determines that, in light of intervening events, such alterations or amendments would be necessary or appropriate to ensure the financial solvency of leverage transactions or prevent manipulation or fraud.
