(5)(i) If a claim of exemption has been made under § 4.12(b)(2)(i), the commodity pool operator must make a statement to that effect on the cover page of each offering memorandum, or amendment thereto, that it is required to file with the Commission pursuant to § 4.26.

(b)(1) No person who is exempt from registration as a commodity pool operator under paragraph (a)(1) or (a)(2) of this section and who is not registered as such pursuant to that exemption may, directly or indirectly, solicit, accept or receive funds, securities or other property from any prospective participant in a pool that it operates or that it intends to operate unless, on or before the date it engages in that activity, the person delivers or causes to be delivered to the prospective participant a written statement that must disclose this fact as follows: "The commodity pool operator of this pool is not required to register, and has not registered, with the Commodity Futures Trading Commission. Therefore, unlike a registered commodity pool operator, this commodity pool operator is not required by the Commission to furnish a Disclosure Document, periodic Account Statements, and an Annual Report to participants in the pool." The person must:

(c) Each person who applies for registration as a commodity pool operator must include with its initial application the financial statements and other information required by §4.22(c) (1) through (5) for each pool it operates when such application is made. That information must be presented and computed in accordance with generally accepted accounting principles consistently applied. If the person is granted registration as a commodity pool operator, it must comply with this part 4 with respect to each pool it operates. The provisions of this paragraph (c) shall apply even though such person was exempt from registration as a commodity pool operator pursuant to the provisions of paragraph (a) of this section at the time it applied for registration.

(d) If a person exempt from registration under the Act as a commodity pool operator under paragraph (a)(1) or (a)(2) of this section registers as a commodity pool operator, that person must
