

**§ 122.132 Sealing of aircraft liquor kits.**

(a) *Sealing required.* Aircraft liquor kits shall be sealed on board the aircraft by crewmembers before the aircraft lands in the U.S. The liquor kits shall be kept under seal while on the ground unless taken to an authorized airline in-bond liquor storeroom.

(b) *Exception.* When an aircraft is traveling between airports in the U.S., in a trade for which duty-free and tax-free liquor is used during flight, sealing the liquor kits on board during transporting stopovers is not required if:

(1) The liquor kits are kept on board the aircraft; and

(2) The port director finds that sealing is not required for revenue protection.

(c) *Seals to be used.* Aircraft liquor kits shall be sealed with serially numbered, Customs approved seals. The airline shall use seals supplied by an approved manufacturer, as provided in part 24 of this chapter. A small number of seals may be obtained from the port director.

(d) *Removing seals.* When sealed liquor kits are on the ground, the Customs seals may be broken only by:

(1) A Customs officer; or

(2) Authorized airline personnel, in an authorized airline in-bond liquor storeroom.

(e) *Resealing.* When a Customs officer breaks the seal of a liquor kit to check the contents, the action shall be recorded on the liquor kit stores list, and the liquor kit must be resealed with an approved seal.

**§ 122.133 Stores list required on arrival.**

(a) *When required, contents.* Three copies of an incoming stores list shall be prepared for each liquor kit on board before an aircraft lands. The incoming stores list shall state for each type of liquor and bottle size:

(1) Number of full bottles;

(2) Number of partially filled bottles; and

(3) Total number of bottles.

If the carrier chooses not to state the type of liquor for each size bottle, any duty or taxes assessed for any shortage shall be set at the highest rate avail-

able for the alcoholic beverages in the kit.

(b) *Disposition of stores list copies.* One copy of the incoming stores list shall be placed in the liquor kit before it is sealed. The remaining two copies shall be used as follows:

(1) One copy shall be filed with the inward cargo manifest; and

(2) One copy shall be kept for filing with the outward cargo manifest if the liquor kit was laden for export.

(c) *For aircraft not required to enter and/or clear.* If an aircraft is not required to enter and/or clear:

(1) One copy shall be given to the Customs officer upon arrival; and

(2) One copy shall be kept to be given to the Customs officer before departure of the aircraft.

(d) *When stores list not prepared.* When a complete stores list is not prepared before landing, liquor kits must be sealed on board, and the seal number shall be recorded on the stores list. When the aircraft lands, the liquor shall be taken at once to the Customs office and the stores list shall be completed by crew members under Customs supervision.

**§ 122.134 When airline does not have in-bond liquor storeroom.**

(a) *Handling of liquor kits.* An aircraft may land at an airport where the airline involved does not have an authorized in-bond liquor storeroom. When this occurs, the liquor kits, under any supervision found necessary by the port director, may be:

(1) Kept on board the aircraft;

(2) Removed and replaced upon the aircraft; or

(3) Removed and replaced aboard another aircraft.

(b) *Sealing of kits.* Aircraft liquor kits covered by this section shall remain sealed until departure. Customs officers may remove the seal to check the contents of the liquor kits, but shall reseat the kits as provided in § 122.132(e).

(c) *Restocking.* Additional amounts of duty-free and tax-free liquor and tobacco obtained in the U.S. shall be laden in a separate container on any aircraft covered by this section. The
