(a) *Permission to land.* Permission to land at a landing rights airport may be given as follows:

(1) *Scheduled flight.* The scheduled aircraft of a scheduled airline may be allowed to land at a landing rights airport. Permission is given by the director of the port, or his representative, at the port nearest to which first landing is made.

(2) *Other aircraft.* All other aircraft may be allowed to land at a landing rights airport by the director of the port of entry or station nearest the first place of landing.

(3) *Additional flights, charters or changes in schedule—(i) Scheduled aircraft.* If a new carrier plans to set up a new flight schedule, or an established carrier makes changes in its approved schedule, landing rights may be granted by the port director.

(ii) *Additional or charter flight.* If a carrier or charter operator wants to begin operating or to add flights, application shall be made to the port director for landing rights. All requests shall be made not less than 48 hours before the intended time of arrival, except in emergencies. If the request is oral, it shall be put in writing before or at the time of arrival.
