

(2) *Hearing.* If the operator requests a hearing, it will be held before a hearing officer designated by the Commissioner of Customs or his designee within 30 days following the operator's request. The operator may be represented by counsel at the hearing, and any evidence and testimony of witnesses in the proceeding, including substantiation of the allegations and the response thereto, will be presented. The right of cross-examination will be available to both parties. A stenographic record of the proceeding will be made and a copy will be delivered to the operator. At the conclusion of the hearing, the hearing officer shall transmit promptly all papers and the stenographic record of the hearing to the Assistant Commissioner, Office of Field Operations, or designee, together with a recommendation for final action.

(3) *Decision of Assistant Commissioner.* Within 10 calendar days after delivery to the operator of a copy of the stenographic record of the hearing, the operator may submit to the Assistant Commissioner, Office of Field Operations, or designee, in writing any additional views or arguments. The Assistant Commissioner, Office of Field Operations, or designee, shall then render a written decision stating his reasons therefor. That decision will be served on the operator and will be considered the final Customs administrative action in the case.

(4) *Grantee.* If the grantee of the zone is not the operator, a copy of the notice to show cause will be served upon the grantee. The grantee, as a party-in-interest, may join the operator in any proceedings under this section.

§ 146.83 Revocation of zone grant.

(a) *Recommendation of port director.* The port director may at any time recommend to the Board that the privilege of establishing, operating, and maintaining a zone or subzone under Customs jurisdiction be revoked for willful and repeated violations of the Act (19 U.S.C. 81r). If the port director believes that a substantial question of law exists as to whether willful and repeated violations of the Act have oc-

curred, that officer may request internal advice under the provisions of part 177 of this chapter from the Director, International Trade Compliance Division, Headquarters. A recommendation to the Board that a zone or subzone grant be revoked does not preclude, and may be in addition to, any liquidated damages, penalty, or suspension for cause.

(b) *Decision of the Board.* The procedure for revocation of a grant, the decision of the Board, and appeal is covered by the provisions of the Act and title 15, chapter IV, part 400, Code of Federal Regulations.
