Such merchandise entered for consumption or withdrawn from warehouse for consumption after 30 days after the date of publication of such notice to the petitioner in the Customs Bulletin shall be appraised, classified, or assessed as to rate of duty in accordance with the published decision.

(b) *Correct appraised value, classification, or rate of duty.* If the appraised value of, classification of, or rate of duty upon the imported merchandise which is the subject of the petition is found to be correct, the Commissioner of Customs shall so notify the petitioner, but the decision shall not be published.

(b) *Notice of liquidation.* Notice of liquidation of the first of the entries to be liquidated which would enable the petitioner to present the issue desired shall be given to the petitioner by the director of the designated port as required by section 516, Tariff Act of 1930, as amended (19 U.S.C. 1516).

(c) *Further notice when issue not presented.* If, upon examination of the information and inspection of any sample supplied by the port director, the petitioner believes and the port director agrees that the merchandise or the facts surrounding this importation are not sufficient to raise the issue involved in the petition, the port director shall then give the petitioner notice of the first liquidation thereafter which will permit the framing of the issue covered by the petition. The port director shall, under the same conditions, continue to give notice for so long as he is of the opinion that the petitioner affirmatively intends to contest. When the port director concludes that the petitioner does not intend to contest the decision of the Commissioner of Customs, he shall refer the matter to the Commissioner of Customs for his decision before issuing any further notice of liquidation.
