

## § 633.301

the award of the subcontract or consummation of a material supply agreement if such subcontract or agreement exceeds \$10,000 and is not exempt from the provisions of the Equal Opportunity clause.

(b) Subcontractors and material suppliers are cautioned as follows: By signing the subcontract or entering into a material supply agreement, the subcontractor or material supplier will be deemed to have signed and agreed to the provisions of the "Certification of Nonsegregated Facilities" in the subcontract or material supply agreement. This certification provides that the subcontractor or material supplier does not maintain or provide for his employees facilities which are segregated on the basis of race, creed, color, or national origin, whether such facilities are segregated by directive or on a de facto basis. The certification also provides that the subcontractor or material supplier will not maintain such segregated facilities.

(c) Subcontractors or material suppliers receiving subcontract awards or material supply agreements exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity clause will be required to provide for the forwarding of this notice to prospective subcontractors for construction contracts and material suppliers where the subcontracts or material supply agreements exceed \$10,000 and are not exempt from the provisions of the Equal Opportunity clause.

### II. Implementation of Clean Air Act.

(a) By signing this bid, the bidder will be deemed to have stipulated as follows:

(1) That any facility to be utilized in the performance of this contract, unless such contract is exempt under the Clean Air Act, as amended (42 U.S.C. 1857 *et seq.*, as by Pub. L. 91-604), Executive order 11738, and regulations in implementation thereof (40 CFR part 15, is not listed on the U.S. Environmental Protection Agency (EPA) List of Violating Facilities pursuant to 40 CFR 15.20.

(2) That the State highway department shall be promptly notified prior to contract award of the receipt by the bidder of any communication from the Director, Office of Federal Activities, EPA, indicating that a facility to be utilized for the contract is under consideration to be listed on the EPA List of Violating Facilities.

## Subpart C—Direct Federal Construction Contracts

AUTHORITY: 23 U.S.C. 315; 49 CFR 1.48(b)(35).

SOURCE: 39 FR 22418, June 24, 1974, unless otherwise noted.

### § 633.301 Purpose.

To prescribe for direct Federal highway construction contracts, provisions

## 23 CFR Ch. I (4-1-01 Edition)

covering employment, safety, specific equal employment opportunity responsibilities and false statements concerning highway projects.

### § 633.302 Applicability.

(a) The form "Continuation of Standard Form 19-A, Labor Standards Provisions" (appendix A) shall be made a part of all highway construction contracts under the direct supervision of the Federal Highway Administration. The form shall be incorporated in each highway construction contract as a continuation of Standard Form 19-A, Labor Standards Provisions and the clauses set forth in paragraph 7 of appendix A shall be included in all subcontracts.

(b) Such additional labor standards provisions as hometown or imposed equal employment opportunity plans shall be added at the end of the form.

### APPENDIX A TO SUBPART C OF PART 633—CONTINUATION OF STANDARD FORM 19-A LABOR STANDARDS PROVISIONS (DOT-FHWA 3-74)

#### 1. Weekly Statement.

The contractor and each subcontractor shall furnish each week a statement with respect to the wages paid each of his employees engaged on work covered by the Copeland Act Regulations, 29 CFR part 3, and by 29 CFR part 5, during the preceding weekly payroll period. The statement shall be executed by the contractor or subcontractor or by an authorized officer or employee of the contractor or subcontractor who supervises the payment of wages. The statement shall be on U.S. Department of Labor Form WH 348, "Statement of Compliance," or on an identical form on the back of U.S. Department of Labor Form WH 347, "Payroll (For Contractor's Optional Use)," or on any form with identical wording. Copies of these forms may be purchased from the Government Printing Office.

#### 2. Employment Practices.

a. The wages of labor shall be paid in legal tender of the United States, except that this condition will be considered satisfied if payment is made by a negotiable check, on a solvent bank, which may be cashed readily by the employee in the local community for the full amount, without discount or collection charges of any kind. Where checks are used for payment, the contractor and each subcontractor shall make all necessary arrangements for them to be cashed and shall give information to their employees regarding such arrangements.

b. No fee of any kind shall be asked or accepted by the contractor, or any of his agents or subcontractors, from any person as a condition of employment on the project.

c. No laborers or mechanics shall be charged for any tools used in performing their duties unless prior permission to make payroll deductions for such charges has been granted by the Secretary of Labor in accordance with Section 3.6 of the Copeland Act Regulations.

d. Every employee on the work covered by this contract shall be permitted to lodge, board, and trade where and with whom he elects and neither the contractor, his subcontractors, nor his employees shall directly or indirectly require as a condition of employment that an employee shall lodge, board or trade at a particular place or with a particular person.

e. No charge shall be made for any transportation furnished by the contractor, or his subcontractors to any person employed on the work.

f. No individual shall be employed as a laborer or mechanic on this contract except on a wage basis, but this shall not be construed to prohibit the rental of teams, trucks, or other equipment from individuals.

g. Each employee's social security number must be shown on the first payroll on which his name appears.

### 3. *Payment of Excess Wages.*

While the wage rates shown in the wage determination decision are the minimum hourly rates required by the contract to be paid during its life, it is the responsibility of bidders to inform themselves as to the local labor conditions, such as the length of workday and workweek, overtime compensation, health and welfare contributions, labor supply, and prospective changes or adjustment of wage rates. No increase in the contract price shall be allowed or authorized on account of the payment of wage rates in excess of those listed herein.

### 4. *Safety.*

It is a condition of this contract, and shall be made a condition of each subcontract entered into pursuant to this contract, that the contractor and any subcontractor shall not require any individual employed in performance of the contract to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health or safety, as determined under construction safety and health standards (Title 29, Code of Federal Regulations, part 1926, as revised from time to time) promulgated by the United States Secretary of Labor, in accordance with Section 107 of the Contract Work Hours and Safety Standards Act.

### 5. *False Statements Concerning Highway Projects.*

In order to assure high quality and durable construction in conformity with approved plans and specifications and a high degree of reliability on statements and representations made by engineers, contractors, suppliers, and workers on Federal highway projects, it is essential that all persons concerned with the project perform their functions as carefully, thoroughly, and honestly as possible. Willful falsification, distortion, or misrepresentation with respect to any facts related to the project is a violation of Federal law. To prevent any misunderstanding regarding the seriousness of these and similar acts, the contractor shall post the Notice, Form PR-1022 on each Federal highway project in one or more places where it is readily available to all personnel concerned with the project.

### 6. *Specific Equal Employment Opportunity Responsibilities.*

a. *General.* (1) Equal employment opportunity requirements not to discriminate and to take affirmative action to assure equal employment opportunity as required by Executive Order 11246 and Executive Order 11375 are set forth in SF 23-A, General Provisions and in these Provisions. The requirements set forth in these Provisions shall constitute the specific affirmative action requirements for project activities under this contract and supplement the equal employment opportunity requirements set forth in the General Provisions.

(2) The contractor will work with the Federal Government in carrying out equal employment opportunity obligations and in their review of his activities under the contract.

(3) The prime contractor, and all subcontractors (not including material suppliers), holding subcontracts of \$10,000 or more, will comply with the minimum equal employment opportunity requirements set forth in the balance of this clause 6.

#### b. *Equal Employment Opportunity Policy.*

The contractor will accept as his operating policy the following statement which is designed to further the provision of equal employment opportunity to all persons without regard to their race, color, religion, sex, or national origin, and to promote the full realization of equal employment opportunity through a positive continuing program:

It is the policy of this Company to assure that applicants are employed, and that employees are treated during employment, without regard to their race, religion, sex, color, or national origin. Such action shall include: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship,

preapprenticeship, and/or on-the-job training.

*c. Equal Employment Opportunity Officer.*

The contractor will designate and make known to the contracting officer an equal employment opportunity officer (hereinafter referred to as the EEO Officer) who must be capable of effectively administering and promoting an active contractor program of equal employment opportunity and who must be assigned adequate authority and responsibility to do so.

*d. Dissemination of Policy.*

(1) All members of the contractor's staff who are authorized to hire, supervise, promote, and discharge employees, or who recommend such action, or who are substantially involved in such action, will be made fully cognizant of, and will implement, the contractor's equal employment opportunity policy and contractual responsibilities. To insure that the above agreement will be met, the following actions will be taken as a minimum:

(a) Periodic meetings of supervisory and personnel office employees will be conducted before the start of work and then not less often than once every six months, at which time the contractor's equal employment opportunity policy and its implementation will be reviewed and explained. The meetings will be conducted by the EEO Officer or other knowledgeable company official.

(b) All new supervisory or personnel office employees will be given a thorough indoctrination by the EEO Officer or other knowledgeable company official covering all major aspects of the contractor's equal employment opportunity obligations within thirty days following their reporting for duty with the contractor.

(c) The EEO Officer or appropriate company official will instruct all employees engaged in the direct recruitment of employees for the project relative to the methods followed by the contractor in locating and hiring minority group employees.

(2) In order to make the contractor's equal employment opportunity policy known to all employees, prospective employees and potential sources of employees, i.e., schools, employment agencies, labor unions (where appropriate), college placement officer, etc., the contractor will take the following actions:

(a) Notices and posters setting forth the contractor's equal employment opportunity policy will be placed in areas readily accessible to employees, applicants for employment and potential employees.

(b) The contractor's equal employment opportunity policy and the procedures to implement such policy will be brought to the attention of employees by means of meetings, employee handbooks, or other appropriate means.

*e. Recruitment.*

(1) When advertising for employees, the contractor will include in all advertisements for employees the notation: "An Equal Opportunity Employer." He will insert all such advertisements in newspapers, or other publications, having a large circulation among minority groups in the area from which the project work force would normally be derived.

(2) The contractor will, unless precluded by a valid bargaining agreement, conduct systematic and direct recruitment through public and private employee referral sources likely to yield qualified minority group applicants, including, but not limited to, State employment agencies, schools, colleges and minority group organizations. To meet this requirement, the contractor will, through his EEO Officer, identify sources of potential minority group employees, and establish with such identified sources procedures whereby minority group applicants may be referred to the contractor for employment consideration.

(3) The contractor will encourage his present employees to refer minority group applicants for employment by posting appropriate notices or bulletins in areas accessible to all such employees. In addition, information and procedures with regard to referring minority group applicants will be discussed with employees.

*f. Personnel Actions.*

(1) Wages, working conditions, and employee benefits shall be established and administered, and personnel actions of every type, including hiring, upgrading, promotion, transfer, demotion, layoff, and termination, shall be taken without regard to race, color, religion, sex, or national origin. The following procedures shall be followed:

(a) The contractor will conduct periodic inspections of project sites to insure that working conditions and employee facilities do not indicate discriminatory treatment of project site personnel.

(b) The contractor will periodically evaluate the spread of wages paid within each classification to determine any evidence of discriminatory wage practices.

(c) The contractor will periodically review selected personnel actions in depth to determine whether there is evidence of discrimination. Where evidence is found, the contractor will promptly take corrective action. If the review indicates that the discrimination may extend beyond the actions reviewed, such corrective action shall include all affected persons.

(d) The contractor will investigate all complaints of alleged discrimination made to the contractor in connection with his obligations under this contract, will attempt to resolve such complaints, and will take appropriate corrective action. If the investigation

indicates that the discrimination may affect persons other than the complainant, such corrective action shall include such other persons. Upon completion of each investigation the contractor will inform every complainant of all of his avenues of appeal.

*g. Training and Promotion.*

(1) The contractor will assist in locating, qualifying and increasing the skills of minority group employees and applicants, for employment.

(2) Consistent with his manpower requirements and as permissible under Federal and State regulations, the contractor will make full use of training programs, i.e., preapprenticeship apprenticeship, and/or on-the-job training programs for the geographical area of contract performance.

(3) The contractor will advise employees and applicants for employment of available training programs and entrance requirements for each.

(4) The contractor will periodically review the training and promotion potential of minority group employees and will encourage eligible employees to apply for such training and promotion.

*h. Unions.*

If the contractor relies in whole or in part upon unions as a source of his work force, he will use his best efforts to obtain the cooperation of such unions to increase minority group opportunities within the unions, and to effect referrals by such unions of minority group employees. Actions by the contractor, either directly or through a contractor's association acting as his agent, will include the procedures set forth below:

(1) Use his best efforts to develop, in cooperation with the unions, joint training programs aimed toward qualifying more minority group members for membership in the unions and increasing the skills of minority group employees so that they may qualify for higher paying employment.

(2) Use his best efforts to incorporate an equal employment opportunity clause into all union agreements to the end that such unions will be contractually bound to refer applicants without regard to their race, color, religion, sex, or national origin.

(3) In the event a union is unable to refer applicants as requested by the contractor within the time limit set forth in the union agreement, the contractor will, through his recruitment procedures, fill the employment vacancies without regard to race, color, religion, sex, or national origin, making full efforts to obtain qualified minority group persons.

*i. Subcontracting.*

(1) The contractor will use his best efforts to utilize minority group subcontractors or subcontractors with meaningful minority

group representation among their employees.

(2) The contractor will use his best efforts to assure subcontractor compliance with their equal employment opportunity obligations.

*j. Records and Reports.*

(1) The contractor will keep such records as are necessary to determine compliance with the contractor's equal employment opportunity obligations. The records kept by the contractor will be designed to indicate:

(a) The number of minority and non-minority group members employed in each work classification on the project.

(b) The progress and efforts being made in cooperation with unions to increase minority group employment opportunities (applicable only to contractors who rely in whole or in part on unions, as a source of their work force).

(c) The progress and efforts being made in locating, hiring, training, qualifying, and upgrading minority group employees.

(d) The progress and efforts being made in securing the services of minority group subcontractors or subcontractors with meaningful minority group representation among their employees.

(2) All such records must be retained for a period of three years following completion of the contract work and shall be available at reasonable times and places for inspection by the contracting officer or his authorized representative.

(3) The contractor will submit to the Federal Highway Administration a monthly report for the first three months after construction begins, and thereafter upon request, for the duration of the project, indicating the number of minority and non-minority group employees currently engaged in each work classification required by the contract work. This information is to be reported on Form PR-1391.

*7. Subcontracts.*

The contractor shall include, verbatim, clauses 1, 2, 4, 5 and 6 of this continuation sheet in each of his subcontracts, except that Clause 6 will not be required for subcontracts less than \$10,000. In addition, the contractor shall include a clause requiring each subcontractor to include these clauses in any lower tier subcontracts.
