

had the same taxable year and base period as the computing member.

(d) *Membership during taxable year in more than one group.* A trade or business may be a member of only one group for a taxable year. If, without application of this paragraph, a business would be a member of more than one group at the end of its taxable year, the business shall be treated as a member of the group in which it was included for its preceding taxable year. If the business was not included for its preceding taxable year in any group in which it could be included as of the end of its taxable year, the business shall designate in its timely filed (including extensions) return the group in which it is being included. If the return for a taxable year is due before July 1, 1983, the business may designate its group membership through an amended return for that year filed on or before June 30, 1983. If the business does not so designate, then the district director with audit jurisdiction of the return will determine the group in which the business is to be included.

(e) *Intra-group transactions*—(1) *In general.* Because all members of a group under common control are treated as a single taxpayer for purposes of determining the research credit, transfers between members of the group are generally disregarded.

(2) *In-house research expenses.* If one member of a group performs qualified research on behalf of another member, the member performing the research shall include in its qualified research expenses any in-house research expenses for that work and shall not treat any amount received or accrued as funding the research. Conversely, the member for whom the research is performed shall not treat any part of any amount paid or incurred as a contract research expense. For purposes of determining whether the in-house research for that work is qualified research, the member performing the research shall be treated as carrying on any trade or business carried on by the member on whose behalf the research is performed.

(3) *Contract research expenses.* If a member of a group pays or incurs contract research expenses to a person outside the group in carrying on the

member's trade or business, that member shall include those expenses as qualified research expenses. However, if the expenses are not paid or incurred in carrying on any trade or business of that member, those expenses may be taken into account as contract research expenses by another member of the group provided that the other member—

(i) Reimburses the member paying or incurring the expenses, and

(ii) Carries on a trade or business to which the research relates.

(4) *Lease Payments.* The amount paid or incurred to another member of the group for the lease of personal property owned by a member of the group is not taken into account for purposes of section 41. Amounts paid or incurred to another member of the group for the lease of personal property owned by a person outside the group shall be taken into account as in-house research expenses for purposes of section 41 only to the extent of the lesser of—

(i) The amount paid or incurred to the other member, or

(ii) The amount of the lease expenses paid to the person outside the group.

(5) *Payment for supplies.* Amounts paid or incurred to another member of the group for supplies shall be taken into account as in-house research expenses for purposes of section 41 only to the extent of the lesser of—

(i) The amount paid or incurred to the other member, or

(ii) The amount of the other member's basis in the supplies.

#### § 1.41-7 Special rules.

(a) *Allocations*—(1) *Corporation making an election under subchapter S*—(i) *Pass-through, for taxable years beginning after December 31, 1982, in the case of an S corporation.* In the case of an S corporation (as defined in section 1361) the amount of research credit computed for the corporation shall be allocated to the shareholders according to the provisions of section 1366 and section 1377.

(ii) *Pass-through, for taxable years beginning before January 1, 1983, in the case of a subchapter S corporation.* In the

case of an electing small business corporation (as defined in section 1371 as that section read before the amendments made by the subchapter S Revision Act of 1982), the amount of the research credit computed for the corporation for any taxable year shall be apportioned pro rata among the persons who are shareholders of the corporation on the last day of the corporation's taxable year.

(2) *Pass-through in the case of an estate or trust.* In the case of an estate or trust, the amount of the research credit computed for the estate or trust for any taxable year shall be apportioned among the estate or trust and the beneficiaries on the basis of the income of the estate or trust allocable to each.

(3) *Pass-through in the case of a partnership—(i) In general.* In the case of a partnership, the research credit computed for the partnership for any taxable year shall be apportioned among the persons who are partners during the taxable year in accordance with section 704 and the regulations thereunder. See, for example, § 1.704-1(b)(4)(ii). Because the research credit is an expenditure-based credit, the credit is to be allocated among the partners in the same proportion as section 174 expenditures are allocated for the year.

(ii) *Certain expenditures by joint ventures.* Research expenses to which § 1.41-2(a)(4)(ii) applies shall be apportioned among the persons who are partners during the taxable year in accordance with the provisions of that section. For purposes of section 41, these expenses shall be treated as paid or incurred directly by the partners rather than by the partnership. Thus, the partnership shall disregard these expenses in computing the credit to be apportioned under paragraph (a)(3)(i) of this section, and in making the computations under section 41 each partner shall aggregate its distributive share of these expenses with other research expenses of the partner. The limitation on the amount of the credit set out in section 41(g) and in paragraph (c) of this section shall not apply because the credit is computed by the partner, not the partnership.

(4) *Year in which taken into account.* An amount apportioned to a person

under this paragraph shall be taken into account by the person in the taxable year of such person which or within which the taxable year of the corporation, estate, trust, or partnership (as the case may be) ends.

(5) *Credit allowed subject to limitation.* The credit allowable to any person to whom any amount has been apportioned under paragraph (a)(1), (2) or (3)(i) of this section is subject to section 41(g) and sections 38 and 39 of the Code, if applicable.

(b) *Adjustments for certain acquisitions and dispositions—Meaning of terms.* For the meaning of “acquisition,” “separate unit,” and “major portion,” see paragraph (b) of § 1.52-2. An “acquisition” includes an incorporation or a liquidation.

(c) *Special rule for pass-through of credit.* The special rule contained in section 41(g) for the pass-through of the credit in the case of an individual who owns an interest in an unincorporated trade or business, is a partner in a partnership, is a beneficiary of an estate or trust, or is a shareholder in an S corporation shall be applied in accordance with the principles set forth in § 1.53-3.

(d) *Carryback and carryover of unused credits.* The taxpayer to whom the credit is passed through under paragraph (c) of this section shall not be prevented from applying the unused portion in a carryback or carryover year merely because the entity that earned the credit changes its form of conducting business.

**§ 1.41-8 Special rules for taxable years ending on or after January 3, 2001.**

(a) *Alternative incremental credit.* At the election of the taxpayer, the credit determined under section 41(a)(1) equals the amount determined under section 41(c)(4).

(b) *Election—(1) In general.* A taxpayer may elect to apply the provisions of the alternative incremental credit in section 41(c)(4) for any taxable year of the taxpayer beginning after June 30, 1996. If a taxpayer makes an election
