

§ 1.882-3

26 CFR Ch. I (4-1-01 Edition)

a foreign corporation created or organized in, or under the law of, a possession of the United States and carrying on the banking business in a possession of the United States during the taxable year shall be treated, pursuant to section 882(e) and this paragraph, as income which is effectively connected for the taxable year with the conduct of a trade or business in the United States by that corporation. This paragraph applies whether or not the foreign corporation is engaged in trade or business in the United States at any time during the taxable year but only with respect to income which, without regard to this paragraph, is not effectively connected for the taxable year with the conduct of a trade or business in the United States by that corporation. Any interest to which this paragraph applies shall be subject to tax in the manner, and subject to the same conditions, provided by section 882(a)(1) and paragraph (b)(2) of § 1.882-1. To the extent that deductions are connected with interest to which this paragraph applies, they shall be treated for purposes of section 882(c)(1) and the regulations thereunder as connected with income which is effectively connected for the taxable year with the conduct of a trade or business in the United States by the foreign corporation. An election by the taxpayer is not required in respect of the income to which this paragraph applies. For purposes of this paragraph the term "possession of the United States" includes Guam, the Midway Islands, the Panama Canal Zone, the Commonwealth of Puerto Rico, American Samoa, the Virgin Islands, and Wake Island.

(c) *Treatment of income.* Any income in respect of which an election described in paragraph (a) of this section is in effect, and any interest to which paragraph (b) of this section applies, shall be treated, for purposes of paragraph (b)(2) of § 1.882-1 and paragraph (a) of § 1.1441-4, as income which is effectively connected for the taxable year with the conduct of a trade or business in the United States by the foreign corporation. A foreign corporation shall not be treated as being engaged in trade or business in the United States merely by reason of having such income for the taxable year.

(d) *Effective date.* This section applies for taxable years beginning after December 31, 1966. There are no corresponding rules in this part for taxable years beginning before January 1, 1967.

§ 1.882-4 Allowance of deductions and credits to foreign corporations.

(a) *Foreign corporations—(1) In general.* A foreign corporation that is engaged in, or receives income treated as effectively connected with, a trade or business within the United States is allowed the deductions which are properly allocated and apportioned to the foreign corporation's gross income which is effectively connected, or treated as effectively connected, with its conduct of a trade or business within the United States. The foreign cor-

poration is entitled to credits which are attributable to that effectively connected income. No provision of this section (other than paragraph (b)(2)) shall be construed to deny the credits provided by sections 33, 34 and 852(b)(3)(D)(ii) or the deduction allowed by section 170.

(2) *Return necessary.* A foreign corporation shall receive the benefit of the deductions and credits otherwise allowed to it with respect to the income tax, only if it timely files or causes to be filed with the Philadelphia Service Center, in the manner prescribed in subtitle F, a true and accurate return of its taxable income which is effectively connected, or treated as effectively connected, for the taxable year with the conduct of a trade or business in the United States by that corporation. The deductions and credits allowed such a corporation electing under a tax convention to be subject to tax on a net basis may be obtained by filing a return of income in the manner prescribed in the regulations (if any) under the tax convention or under any other guidance issued by the Commissioner.

(3) *Filing deadline for return.* (i) As provided in paragraph (a)(2) of this section, for purposes of computing the foreign corporation's taxable income for any taxable year, otherwise allowable deductions (other than that allowed by section 170) and credits (other than those allowed by sections 33, 34 and 852(b)(3)(D)(ii)) will be allowed only if a return for that taxable year is filed by the foreign corporation on a timely basis. For taxable years of a foreign corporation ending after July 31, 1990, whether a return for the current taxable year has been filed on a timely basis is dependent upon whether the foreign corporation filed a return for the taxable year immediately preceding the current taxable year. If a return was filed for that immediately preceding taxable year, or if the current taxable year is the first taxable year of the foreign corporation for which a return is required to be filed, the required return for the current taxable year must be filed within 18 months of the due date as set forth in section 6072 and the regulations under that section, for filing the return for
