

**§ 2.1-21 Period for construction of certain vessels.**

A new vessel constructed otherwise than under the provisions of Title V of the Act, and not purchased from the Administration must, within six months from the date of the construction contract, or within the period of any extension, be completed to the extent of not less than 5 percent as estimated by the Administration and certified by it to the Secretary of the Treasury. In case of a contract covering more than one vessel it will be sufficient if one of the vessels is 5 percent completed within the six months' period from the date of the contract or within the period of any extension, and so certified. All construction must be completed with reasonable dispatch as determined by the Administration. If, for causes within the control of the taxpayer, the entire construction is not completed with reasonable dispatch, the Administration will so certify to the Secretary of the Treasury. For the effect of such certification, see § 2.1-23.

**§ 2.1-22 Time extensions for expenditure or obligation.**

(a) *Extensions.* The Administration, upon application and a showing of proper circumstances, (1) may allow an extension of time within which deposits shall be expended or obligated, not to exceed one year, and upon a second application received before the expiration of the first extension, may allow an additional extension not to exceed one year, and (2) may allow an extension or extensions of time within which five percent of the construction shall have been completed as provided in § 2.1-21 not to exceed one year in the aggregate, and (3) may allow any other extensions that may be provided by amendment to the Act.

(b) *Application required.* A taxpayer seeking an extension of time shall make application therefor, and transmit it with an appropriate statement of the circumstances, including the reasons justifying the requested extension or extensions, and appropriate documents in substantiation of the statement, to the Administration. The Administration will notify the Commissioner of Internal Revenue of any

extension granted. In case an application for extension is denied, the taxpayer will be liable for delay as though no application had been made.

**§ 2.1-23 Noncompliance with requirements.**

(a) *Noncompliance.* The amount of the gain which is that portion of the construction reserve fund otherwise constituting taxable income under the law applicable to the taxable year in which such gain was realized shall be included in the taxpayer's gross income for such taxable year for income or excess-profits tax purposes, if—

(1) A portion of such fund is withdrawn for purposes other than—

(i) The construction, reconstruction, reconditioning, or acquisition of a new vessel; or

(ii) The liquidation of existing or subsequently incurred purchase-money indebtedness to persons other than a parent company of, or a company affiliated or associated with, the mortgagor on a new vessel or vessels; or

(2) The taxpayer fails to comply with the requirements of section 511 of the Act or the regulations in this part relating to the utilization of construction reserve funds in the construction, reconstruction, reconditioning, or acquisition of a new vessel, or the liquidation of purchase-money indebtedness on such a vessel.

If securities on deposit in a construction reserve fund are sold and the amount placed in the fund in lieu thereof is less than the value of the securities at the time of their deposit, the difference between such value and the amount placed in the fund in lieu of the securities will be deemed to have been withdrawn. With respect to the substitution of new financing in the case of an irrevocable commitment, see paragraph (d) of § 2.1-13.

(b) *Amount recognized.* In the event of noncompliance with the prescribed conditions relative to any contract for construction, reconstruction, reconditioning, or acquisition of new vessels, or for the liquidation of purchase-money indebtedness on such vessels, recognition will extend to the entire amount of the gain represented in that portion of the construction reserve fund obligated under such contract.

Thus, if the Administration determines and certifies to the Secretary of the Treasury that for causes within the control of the taxpayer construction under a contract is not completed with reasonable dispatch, the entire amount of the gain represented in the portion of the construction reserve fund obligated under the contract will be recognized even though all other conditions have been satisfied. In case of non-compliance with the requirements of section 511 of the Act or the regulations in this part, see the provisions of § 2.1-18 as to the allocation of gain.

(c) *Unreasonable accumulation.* Non-compliance with the provisions of section 511 of the Act or the regulations in this part relative to the utilization of the deposited amounts may also, inasmuch as the provision of section 511(f) of the Act is then inapplicable, warrant an examination to ascertain whether such amounts constitute an unreasonable accumulation of earnings and profits within the meaning of Part I (section 531 and following), Subchapter G, Chapter I of the Internal Revenue Code of 1954, or corresponding provisions of prior law. If amounts are deposited and the fund maintained in good faith for the purpose of construction, reconstruction, reconditioning, and acquisition of new vessels, or for the liquidation of purchase-money indebtedness on such vessels, such amounts will be deemed to have been accumulated for the reasonable needs of the business.

#### § 2.1-24 Extent of tax liability.

(a) *Declared value excess-profits tax.* Gain which is includible in gross income under § 2.1-23 shall be included in gross income for all income and excess-profits tax purposes, but not for the purposes of the declared value excess-profits tax and the capital stock tax as provided in section 511(i) of the Act. In lieu of any adjustment with respect to such declared value excess-profits tax, there is imposed for any taxable year ending on or before June 30, 1945, in which the gain is realized an additional tax of 1.1 percent of the amount of the gain. No additional capital stock tax liability is incurred.

(b) *Improper deposits.* In the case of deposits in the construction reserve

fund of amounts derived from sources other than those specified in section 511 of the Act, or in the case of failure to deposit an amount equal to the "net proceeds" or "net indemnity" within the period prescribed in section 511(c) of the Act and § 2.1-15, the taxpayer obtains no suspension or postponement of any tax liability and the tax is collectible without regard to the provisions of section 511(c) of the Act.

(c) *Time for filing claim subsequent to election under section 511(c)(2).* If an election is made under section 511(c)(2) of the Act and paragraph (a)(2) of § 2.1-12, and if computation or recomputation in accordance therewith is otherwise allowable but is prevented, on the date of filing of notice of such election, or within six months thereafter, by any statute of limitation; such computation or recomputation nevertheless shall be made notwithstanding such statute if a claim therefor is filed within six months after the date of making such election. If as the result of such computation or recomputation an overpayment is disclosed a claim for refund should be made in accordance with § 301.6402-3 within such six months' period. For other rules applicable to the filing of claims for credit or refund of an overpayment of tax, see § 301.6402-2 of this chapter (Regulations on Procedure and Administration), relating to claims for credit or refund.

[T.D. 6820, 30 FR 6030, Apr. 29, 1965, as amended by T.D. 7410, 41 FR 11020, Mar. 16, 1976]

#### § 2.1-25 Assessment and collection of deficiencies.

Any additional tax, including the 1.1 percent amount imposed by section 511(i) of the Act, due on account of withdrawal from a construction reserve fund, or failure to comply with section 511 of the Act or the regulations in this part, is collectible as a deficiency. Interest upon such deficiency will run from the date the withdrawal or non-compliance occurs. The amount of any deficiency, including interest and additions to the tax, determined as a result of such withdrawal or non-compliance, may be assessed, or a proceeding in court for the collection thereof may be begun without assessment, at any time and without regard to any period of limitations or any other provisions of
