§ 25.6075-1 Returns, time for filing gift tax returns for gifts made after December 31, 1981.

(a) *In general.* Except as provided in paragraphs (b) (1) and (2) of this section, a return required to be filed under section 6019 for gifts made after December 31, 1981, must be filed on or before the 15th day of April following the close of the calendar year in which the gift was made.

(b) *Special rules—(1) Extensions.* Except as provided in paragraph (b)(2) of this section, if a taxpayer files an income tax return on the calendar year basis and the taxpayer is granted an extension of time for filing the return of income tax imposed by Subtitle A of the Internal Revenue Code, then such taxpayer shall also be deemed to have been granted an extension of time for filing the gift tax return under section 6019 for such calendar year equal to the extension of time granted for filing the income tax return. See section 6081 and the regulations thereunder for rules relating to extension of time for filing returns.

(2) *Death of donor.* Where a gift is made during the calendar year in which the donor dies, the time for filing the return made under section 6019 shall not be later than the time (including extensions) for filing the return made under section 6018 (relating to estate tax returns) with respect to such donor. In addition, should the time for filing the estate tax return fall later than the 15th day of April following the close of the calendar year, the time for filing the gift tax return shall be on or before the 15th day of April following the close of the calendar year, unless an extension (not extending beyond the time for filing the estate tax return) was granted for filing the gift tax return. If no estate tax return is required to be filed, the time for filing the gift tax return shall be on or before the 15th day of April following the close of the calendar year, unless an extension was granted for filing the gift tax return.

(c) Paragraphs (a) and (b) may be illustrated by the following examples.

Example (1). Donor makes a taxable gift on April 1, 1982, for which a return must be made under section 6019. Donor files the income tax return on the calendar year basis. The donor was granted a 4-month extension from April 15, 1983 to August 15, 1983, in which to file the 1982 income tax return. Under these circumstances, the donor is not required to file the gift tax return prior to August 15, 1983. See paragraph (b)(1) of this section.

Example (2). Donor makes a taxable gift on April 1, 1982, for which a return must be made under section 6019. The donor dies on May 1, 1982. Under these circumstances, since the due date for filing the estate tax return, February 1, 1983 (assuming an estate tax return under section 6018 was required to be filed), falls prior to the due date for the gift tax return (as specified in section 6075(b)(1)), the last day for filing the gift tax return is February 1, 1983. See paragraph (b)(2) of this section.

Example (3). The facts are the same as in example (2), except the donor dies on November 30, 1982. Although the estate tax return is due on or before August 30, 1983, the last day for filing the gift tax return is April 15, 1983. See paragraph (b) of this section.

Example (4). The facts are the same as in example (3), except that the executor receives a 4-month extension for filing the decedent's income tax return. Under these circumstances, the last day for filing the gift tax return is August 15, 1983. See paragraphs (b) (1) and (2) of this section.

Example (5). The facts are the same as in example (3), except that the donor-decedent receives an extension of 6 months for filing the gift tax return. See section 6081 and § 25.6081-1. Since section 6075(b)(3) and § 25.6075-2(b) provide that the time for filing the gift tax return made under section 6019 shall not be later than the time (including extensions) for filing the estate tax return made under section 6018, the last day for filing the gift tax return is August 30, 1983.

(d) See section 7503 and § 301.7503-1 concerning the timely filing of a return that falls due on a Saturday, Sunday or legal holiday. As to additions to the tax for failure to file the return within the prescribed time, see section 6651 and § 301.6651-1.

§ 25.6075-2 Returns; time for filing gift tax returns for gifts made after December 31, 1976, and before January 1, 1982.

(a) *Due date for filing quarterly gift tax returns.* (1) Except as provided in paragraph (b) of this section, a return required to be filed under section 6019 for

the first, second, or third calendar quarter of any calendar year must be filed on or before the 15th day of the second month following the close of the calendar quarter in which the taxable gift was made.

(2) If a return is required to be filed under section 6019 for the fourth calendar quarter, then—

(i) For gifts made after December 31, 1976 and before January 1, 1979, the return must be filed on or before February 15th following the close of the fourth calendar quarter, or

(ii) For gifts made after December 31, 1978, and before January 1, 1982, the return must be filed on or before April 15th following the close of the fourth calendar quarter.

(b) *Special rule.* (1) If the total amount of taxable gifts (determined after the application of paragraph (c)(1) of this section, relating to split gifts) made by a person during a calendar quarter is \$25,000 or less, the return required under section 6019 for that quarter must be filed on or before the date prescribed in paragraph (a)(1) of this section for filing the return for gifts made in the first subsequent calendar quarter (unless the first subsequent calendar quarter is the fourth calendar quarter in which case see paragraph (b)(2) of this section) in the calendar year in which the sum of—

(i) The taxable gifts made during such subsequent calendar quarter, plus

(ii) All other taxable gifts made in prior quarters of the calendar year for which no return has yet been required to be filed,

exceeds \$25,000. The return must include transfers by gift (as required by section 6019 and the regulations under that section) made during such subsequent and prior quarters of the calendar year for which no return has yet been required to be filed and identify in which quarter such transfers were made. The return must meet all the requirements for a separate return as if a separate return had been made for each quarter in which a transfer by gift was made. This return will be treated as a separate return for each of the quarters identified on the return.

(2) If a return is not required to be filed under paragraph (b)(1) of this section, then—
