

of the amount determined to be the deficiency.

(d) *Waiver of restrictions.* The taxpayer may at any time by a signed notice in writing filed with the district director waive the restrictions on the assessment and collection of the whole or any part of the deficiency. The notice must in all cases be filed with the district director or other authorized official under whose jurisdiction the audit or other consideration of the return in question is being conducted. The filing of such notice with the Tax Court does not constitute filing with the district director within the meaning of the Code. After such waiver has been acted upon by the district director and the assessment has been made in accordance with its terms, the waiver cannot be withdrawn.

(e) *Suspension of filing period for certain chapter 42 and chapter 43 taxes.* The period prescribed by section 6213(a) for filing a petition in the Tax Court with respect to the taxes imposed by section 4941, 4942, 4943, 4944, 4945, 4951, 4952, 4955, 4958, 4971, or 4975, shall be suspended for any other period which the Commissioner has allowed for making correction under § 53.4963-1(e)(3). Where the time for filing a petition with the Tax Court has been suspended under the authority of this paragraph (e), the extension shall not be reduced as a result of the correction being made prior to expiration of the period allowed for making correction.

§ 301.6215-1 Assessment of deficiency found by Tax Court.

Where a petition has been filed with the Tax Court, the entire amount redetermined as the deficiency by the decision of the Tax Court which has become final shall be assessed by the district director or the director of the regional service center and the unpaid portion of the amount so assessed shall be paid by the taxpayer upon notice and demand therefor.

§ 301.6221-1T Tax treatment determined at partnership level (temporary).

(a) *In general.* A partner's treatment of partnership items on the partner's return may not be changed except as provided in sections 6222 through 6231 of the Code and the regulations thereunder. Thus, for example, if a partner treats an item on the partner's return consistently with the treatment of the item on the partnership return, the Internal Revenue Service generally cannot adjust the treatment of that item on the partner's return except through a partnership-level proceeding. Similarly, the taxpayer may not put partnership items in issue in a proceeding relating to nonpartnership items. For example, the taxpayer may not offset a potential increase in taxable income based on changes in nonpartnership items by a potential decrease based on partnership items.

(b) *Restrictions inapplicable after items become nonpartnership items.* Section 6221 and paragraph (a) of this section cease to apply to items arising from a partnership with respect to a partner when those items cease to be partnership items with respect to that partner under section 6231 (b).

(c) *Penalties determined at partnership level (partnership taxable years ending after August 5, 1997).* Any penalty, addition to tax, or additional amount that relates to an adjustment to a partnership item, shall be determined at the partnership level. Partner level defenses to such items can only be asserted through refund actions following assessment and payment. Assessment of any penalty, addition to tax, or additional amount that relates to an adjustment to a partnership item shall be made based on partnership level determinations. Partnership level determinations include all the legal and factual determinations that underlie the determination of any penalty, addition to tax, or additional amount, other than partner level defenses specified in paragraph (d) of this section.

(d) *Partner level defenses.* Partner level defenses to any penalty, addition to tax, or additional amount that relates to an adjustment to a partnership
