

furnishing information to a shareholder, the S corporation must determine:

- (i) The character of the amount transferred to a shareholder (for example, whether it is a dividend, compensation, loan, or repayment of a loan);
- (ii) The amount of money distributed to a shareholder;
- (iii) The fair market value of property distributed to a shareholder;
- (iv) The adjusted basis to the corporation of distributed property; and
- (v) The character of corporation property (for example, whether an item is inventory or a capital asset).

To the extent that a determination of an item relating to a distribution can be made from these and similar determinations that the corporation is required to make, that item is a subchapter S item. To the extent that the determination requires other information, however, that item is not a subchapter S item. Such other information would include the determination of a shareholder's basis in the shareholder's stock or in the indebtedness of the S corporation to the shareholder.

(d) *Cross reference.* For the definition of subchapter S item for purposes of the windfall profit tax, see § 51.6245-1T.

(e) *Effective date.* This section shall apply to taxable years beginning after December 31, 1982.

§ 301.6303-1 Notice and demand for tax.

(a) *General rule.* Where it is not otherwise provided by the Code, the district director or the director of the regional service center shall, after the making of an assessment of a tax pursuant to section 6203, give notice to each person liable for the unpaid tax, stating the amount and demanding payment thereof. Such notice shall be given as soon as possible and within 60 days. However, the failure to give notice within 60 days does not invalidate the notice.
