brief may be filed at the time the exceptions are filed, either as part of the same document or in a separate document.

(b) *Effect of failure to file or raise exceptions.* (1) Failure of a party to file exceptions to those matters specified in paragraph (a) of this section within the time prescribed is deemed a waiver of objection thereto.

(2) No exception need be considered by the Director if the party taking exception had an opportunity to raise the same objection, issue, or argument before the administrative law judge and failed to do so.

(c) *Contents.* (1) All exceptions and briefs in support of such exceptions must be confined to the particular matters in, or omissions from, the administrative law judge's recommendations to which that party takes exception.

(2) All exceptions and briefs in support of exceptions must set forth page or paragraph references to the specific parts of the administrative law judge's recommendations to which exception is taken, the page or paragraph references to those portions of the record relied upon to support each exception, and the legal authority relied upon to support each exception.

### § 509.40 Review by the Director.

(a) *Notice of submission to the Director.* When the Director determines that the record in the proceeding is complete, the Director shall serve notice upon the parties that the proceeding has been submitted to the Director for final decision.

(b) *Oral argument before the Director.* Upon the initiative of the Director or on the written request of any party filed with the Director within the time for filing exceptions, the Director may order and hear oral argument on the recommended findings, conclusions, decision, and order of the administrative law judge. A written request by a party must show good cause for oral argument and state reasons why arguments cannot be presented adequately in writing. A denial of a request for oral argument may be set forth in the Director's final decision. Oral argument before the Director must be on the record.

## 12 CFR Ch. V (1-1-01 Edition)

(c) *Director's final decision.* (1) Decisional employees may advise and assist the Director in the consideration and disposition of the case. The final decision of the Director will be based upon review of the entire record of the proceeding, except that the director may limit the issues to be reviewed to those findings and conclusions to which opposing arguments or exceptions have been filed by the parties.

(2) The Director shall render a final decision within 90 days after notification of the parties that the case has been submitted for final decision, or 90 days after oral argument, whichever is later, unless the Director orders that the action or any aspect thereof be remanded to the administrative law judge for further proceedings. Copies of the final decision and order of the Director shall be served upon each party to the proceeding, upon other persons required by statute, and, if directed by the Director or required by statute, upon any appropriate state or Federal supervisory authority.

### § 509.41 Stays pending judicial review.

The commencement of proceedings for judicial review of a final decision and order of the Office may not, unless specifically ordered by the Director or a reviewing court, operate as a stay of any order issued by the Director. The Director may, in its discretion, and on such terms as it finds just, stay the effectiveness of all or any part of its order pending a final decision on a petition for review of the order.
