

transfer is to or on behalf of an immediate family member for that individual's education, medical expenses, or some other form of essential support.

(ii) SBA will not attribute to an individual claiming disadvantaged status any assets transferred by that individual to an immediate family member that are consistent with the customary recognition of special occasions, such as birthdays, graduations, anniversaries, and retirements.

(iii) In determining an individual's access to capital and credit, SBA may consider any assets that the individual transferred within such two-year period described by paragraph (c)(1)(i) of this section that SBA does not consider in evaluating the individual's assets and net worth (e.g., transfers to charities).

(2) *Net worth.* For initial 8(a) BD eligibility, the net worth of an individual claiming disadvantage must be less than \$250,000. For continued 8(a) BD eligibility after admission to the program, net worth must be less than \$750,000. In determining such net worth, SBA will exclude the ownership interest in the applicant or Participant and the equity in the primary personal residence (except any portion of such equity which is attributable to excessive withdrawals from the applicant or Participant). Exclusions for net worth purposes are not exclusions for asset valuation or access to capital and credit purposes.

(i) A contingent liability does not reduce an individual's net worth.

(ii) The personal net worth of an individual claiming to be an Alaska Native will include assets and income from sources other than an Alaska Native Corporation and exclude any of the following which the individual receives from any Alaska Native Corporation: cash (including cash dividends on stock received from an ANC) to the extent that it does not, in the aggregate, exceed \$2,000 per individual per annum; stock (including stock issued or distributed by an ANC as a dividend or distribution on stock); a partnership interest; land or an interest in land (including land or an interest in land received from an ANC as a dividend or distribution on stock); and an interest in a settlement trust.

§ 124.105 What does it mean to be unconditionally owned by one or more disadvantaged individuals?

An applicant or Participant must be at least 51 percent unconditionally and directly owned by one or more socially and economically disadvantaged individuals who are citizens of the United States, except for concerns owned by Indian tribes, Alaska Native Corporations, Native Hawaiian Organizations, or Community Development Corporations (CDCs). See §124.3 for definition of unconditional ownership; and §§124.109, 124.110, and 124.111, respectively, for special ownership requirements for concerns owned by Indian tribes, ANCs, Native Hawaiian Organizations, and CDCs.

(a) *Ownership must be direct.* Ownership by one or more disadvantaged individuals must be direct ownership. An applicant or Participant owned principally by another business entity or by a trust (including employee stock ownership trusts) that is in turn owned and controlled by one or more disadvantaged individuals does not meet this requirement. However, ownership by a trust, such as a living trust, may be treated as the functional equivalent of ownership by a disadvantaged individual where the trust is revocable, and the disadvantaged individual is the grantor, a trustee, and the sole current beneficiary of the trust.

(b) *Ownership of a partnership.* In the case of a concern which is a partnership, at least 51 percent of every class of partnership interest must be unconditionally owned by one or more individuals determined by SBA to be socially and economically disadvantaged. The ownership must be reflected in the concern's partnership agreement.

(c) *Ownership of a limited liability company.* In the case of a concern which is a limited liability company, at least 51 percent of each class of member interest must be unconditionally owned by one or more individuals determined by SBA to be socially and economically disadvantaged.

(d) *Ownership of a corporation.* In the case of a concern which is a corporation, at least 51 percent of each class of voting stock outstanding and 51 percent of the aggregate of all stock outstanding must be unconditionally

owned by one or more individuals determined by SBA to be socially and economically disadvantaged.

(e) *Stock options' effect on ownership.* In determining unconditional ownership, SBA will disregard any unexercised stock options or similar agreements held by disadvantaged individuals. However, any unexercised stock options or similar agreements (including rights to convert non-voting stock or debentures into voting stock) held by non-disadvantaged individuals will be treated as exercised, except for any ownership interests which are held by investment companies licensed under the Small Business Investment Act of 1958.

(f) *Dividends and distributions.* One or more disadvantaged individuals must be entitled to receive:

(1) At least 51 percent of the annual distribution of dividends paid on the stock of a corporate applicant concern;

(2) 100 percent of the value of each share of stock owned by them in the event that the stock is sold; and

(3) At least 51 percent of the retained earnings of the concern and 100 percent of the unencumbered value of each share of stock owned in the event of dissolution of the corporation.

(g) *Ownership of another Participant.* The individuals determined to be disadvantaged for purposes of one Participant, their immediate family members, and the Participant itself, may not hold, in the aggregate, more than a 20 percent equity ownership interest in any other single Participant.

(h) *Ownership restrictions for non-disadvantaged individuals and concerns.* (1) A non-disadvantaged individual (in the aggregate with all immediate family members) or a non-Participant concern that is a general partner or stockholder with at least a 10 percent ownership interest in one Participant may not own more than a 10 percent interest in another Participant that is in the developmental stage or more than a 20 percent interest in another Participant in the transitional stage of the program. This restriction does not apply to financial institutions licensed or chartered by Federal, state or local government, including investment companies which are licensed under the Small Business Investment Act of 1958.

(2) A non-Participant concern in the same or similar line of business may not own more than a 10 percent interest in a Participant that is in the developmental stage or more than a 20 percent interest in a Participant in a transitional stage of the program, except that a former Participant or a principal of a former Participant (except those that have been terminated from 8(a) BD program participation pursuant to §§ 124.303 and 124.304) may have an equity ownership interest of up to 20 percent in a current Participant in the developmental stage of the program or up to 30 percent in a transitional stage Participant, in the same or similar line of business.

(i) *Change of ownership.* A Participant may change its ownership or business structure so long as one or more disadvantaged individuals own and control it after the change and SBA approves the transaction in writing prior to the change. The decision to approve or deny a Participant's request for a change in ownership or business structure will be made and communicated to the firm by the AA/8(a)BD. The decision of the AA/8(a)BD is the final decision of the Agency. The AA/8(a)BD will issue a decision within 60 days from receipt of a request containing all necessary documentation, or as soon thereafter as possible. If 60 days lapse without a decision from SBA, the Participant cannot presume that it can complete the change without written approval from SBA. A decision to deny a request for change of ownership or business structure may be grounds for program termination where the change is made nevertheless.

(1) Any Participant that was awarded one or more 8(a) contracts may substitute one disadvantaged individual for another disadvantaged individual without requiring the termination of those contracts or a request for waiver under § 124.515, as long as it receives SBA's approval prior to the change.

(2) Where the previous owner held less than a 10 percent interest in the concern, or the transfer results from the death or incapacity due to a serious, long-term illness or injury of a disadvantaged principal, prior approval is not required, but the concern must notify SBA within 60 days.

(3) Continued participation of the Participant with new ownership and the award of any new 8(a) contracts requires SBA's determination that all eligibility requirements are met by the concern and the new owners.

(4) Where a Participant requests a change of ownership or business structure, and proceeds with the change prior to receiving SBA approval (or where a change of ownership results from the death or incapacity of a disadvantaged individual for which a request prior to the change in ownership could not occur), SBA will suspend the Participant from program benefits pending resolution of the request. If the change is approved, the length of the suspension will be restored to the Participant's program term in the case of death or incapacity, or if the firm requested prior approval and waited 60 days for SBA approval.

(5) A change in ownership does not provide the new owner(s) with a new 8(a) BD program term. For example, if a concern has been in the 8(a) BD program for five years when a change in ownership occurs, the new owner will have four years remaining until program graduation.

(j) *Public offering.* A Participant's request for SBA's approval for the issuance of a public offering will be treated as a request for a change of ownership. Such request will cause SBA to examine the concern's continued need for access to the business development resources of the 8(a) BD program.

(k) *Community property laws given effect.* In determining ownership interests when an owner resides in any of the community property states or territories of the United States (Arizona, California, Idaho, Louisiana, Nevada, New Mexico, Puerto Rico, Texas, Washington and Wisconsin), SBA considers applicable state community property laws. If only one spouse claims disadvantaged status, that spouse's ownership interest will be considered unconditionally held only to the extent it is vested by the community property laws. A transfer or relinquishment of interest by the non-disadvantaged spouse may be necessary in some cases to establish eligibility.

§ 124.106 When do disadvantaged individuals control an applicant or Participant?

Control is not the same as ownership, although both may reside in the same person. SBA regards control as including both the strategic policy setting exercised by boards of directors and the day-to-day management and administration of business operations. An applicant or Participant's management and daily business operations must be conducted by one or more disadvantaged individuals, except for concerns owned by Indian tribes, ANCs, Native Hawaiian Organizations, or Community Development Corporations (CDCs). (See §§124.109, 124.110, and 124.111, respectively, for the requirements for concerns owned by Indian tribes or ANCs, for concerns owned by Native Hawaiian Organizations, and for CDC-owned concerns.) Disadvantaged individuals managing the concern must have managerial experience of the extent and complexity needed to run the concern. A disadvantaged individual need not have the technical expertise or possess a required license to be found to control an applicant or Participant if he or she can demonstrate that he or she has ultimate managerial and supervisory control over those who possess the required licenses or technical expertise. However, where a critical license is held by a non-disadvantaged individual having an equity interest in the applicant or Participant firm, the non-disadvantaged individual may be found to control the firm.

(a)(1) An applicant or Participant must be managed on a full-time basis by one or more disadvantaged individuals who possess requisite management capabilities.

(2) A disadvantaged full-time manager must hold the highest officer position (usually President or Chief Executive Officer) in the applicant or Participant.

(3) One or more disadvantaged individuals who manage the applicant or Participant must devote full-time to the business during the normal working hours of firms in the same or similar line of business. Work in a wholly-owned subsidiary of the applicant or participant may be considered to meet the requirement of full-time devotion.
