(8) Such other information as SBA may deem necessary. For other required annual submissions, see §§ 124.601 through 124.603.

(c) *Eligibility reviews.* (1) Upon receipt of specific and credible information alleging that a Participant no longer meets the eligibility requirements for continued program eligibility, SBA will review the concern's eligibility for continued participation in the program.

(2) Sufficient reasons for SBA to conclude that a socially disadvantaged individual is no longer economically disadvantaged include, but are not limited to, excessive withdrawals of funds or other assets withdrawn from the concern by its owners, or substantial personal assets, income or net worth of any disadvantaged owner. SBA may also consider access by the Participant firm to a significant new source of capital or loans since the financial condition of the Participant is considered in evaluating the disadvantaged individual's economic status.

(d) *Excessive withdrawals.* (1) The term withdrawal includes, but is not limited to, the following: officer's salary; cash dividends; distributions in excess of amounts needed to pay S Corporation taxes; cash and property withdrawals; bonuses; loans; advances; payments to immediate family members; investments on behalf of an owner, officer, or key employee; acquisition of a business not merged with the 8(a) Participant; charitable contributions; and speculative ventures.

(2) If SBA determines that excessive funds or other assets have been withdrawn from the Participant, SBA may:

(i) Initiate termination proceedings under §§ 124.303 and 124.304 where the withdrawals detrimentally affect the achievement of the Participant's targets, objectives and goals set forth in its business plan, or its overall business development;

(ii) Initiate early graduation proceedings under §§ 124.302 and 124.303 where the withdrawals do not adversely affect the Participant's business development; or

(iii) Require an appropriate reinvestment of funds or other assets, as well as any other actions SBA deems necessary to counteract the detrimental effects of the withdrawals, as a condition of the Participant maintaining program eligibility.

(3) Withdrawals are excessive if during any fiscal year of the Participant they exceed (i) \$150,000 for firms with sales up to \$1,000,000; (ii) \$200,000 for firms with sales between \$1,000,000 and \$2,000,000; and (iii) \$300,000 for firms with sales over \$2,000,000.

(4) The fact that a concern's net worth has increased despite withdrawals that are deemed excessive will not preclude SBA from determining that such withdrawals were detrimental to the attainment of the concern's business objectives or to its overall business development.

### **§ 124.204 How does SBA process applications for 8(a) BD program admission?**

(a) The AA/8(a)BD is authorized to approve or decline applications for admission to the 8(a) BD program. The appropriate DPCE field office will receive, review and evaluate all 8(a) BD applications except those from ANC-owned applicants. SBA's Anchorage District Office will receive all applications from ANC-owned applicants and review them for completeness before sending them to the AA/8(a)BD for further processing. The appropriate field office will advise each program applicant within 15 days after the receipt of an application whether the application is complete and suitable for evaluation and, if not, what additional information or clarification is required to complete the application. SBA will process an application for 8(a) BD program participation within 90 days of receipt of a complete application package by the DPCE field office. Incomplete application packages will not be processed.

(b) SBA, in its sole discretion, may request clarification of information contained in the application at any time in the application process. SBA will take into account any clarifications made by an applicant in response to a request for such by SBA.

(c) An applicant concern's eligibility will be based on circumstances existing on the date of application, except where clarification is made pursuant to paragraph (b) of this section or as provided in paragraph (d) of this section.

(d) Changed circumstances for an applicant concern occurring subsequent to its application and which adversely affect eligibility will be considered and may constitute grounds for decline. The applicant must inform SBA of any changed circumstances that could adversely affect its eligibility for the program (particularly economic disadvantage and ownership and control) during its application review. Failure to inform SBA of any such changed circumstances constitutes good cause for which SBA may terminate the Partici-

pant if non-compliance is discovered after admittance.

(e) The decision of the AA/8(a)BD to approve or deny an application will be in writing. A decision to deny admission will state the specific reasons for denial, and will inform the applicant of any appeal rights.

(f) If the AA/8(a)BD approves the application, the date of the approval letter is the date of program certification for purposes of determining the concern's program term.

### **§ 124.205 Can an applicant ask SBA to reconsider SBA's initial decision to decline its application?**

(a) An applicant may request the AA/8(a)BD to reconsider his or her initial decline decision by filing a request for reconsideration with the SBA field office that originally processed its application. Filing means submission by personal delivery, first-class mail, express mail, facsimile transmission followed by first-class mail, or commercial delivery service. The applicant must submit its request for reconsideration within 45 days of receiving notice that its application was declined. The applicant must provide any additional information and documentation pertinent to overcoming the reason(s) for the initial decline.

(b) The AA/8(a)BD will issue a written decision within 45 days of the regional DPCE's receipt of the applicant's request. The AA/8(a)BD may either approve the application, deny it on the same grounds as the original decision, or deny it on other grounds. If denied, the AA/8(a)BD will explain why the applicant is not eligible for admission to the 8(a) BD program and give specific reasons for the decline.

(c) If the AA/8(a)BD declines the application solely on issues not raised in the initial decline, the applicant can ask for reconsideration as if it were an initial decline.

### **§ 124.206 What appeal rights are available to an applicant that has been denied admission?**

(a) An applicant may appeal a denial of program admission to SBA's Office of Hearings and Appeals (OHA), if it is based solely on a negative finding of
