

§ 130.440

13 CFR Ch. I (1-1-01 Edition)

§ 130.440 Maximum grant.

No recipient shall receive an SBDC grant exceeding the greater of the minimum statutory amount, or its pro rata share of all SBDC grants as determined by the statutory formula set forth in section 21(a)(4) of the Act.

§ 130.450 Matching funds.

(a) The recipient organization must provide total Matching Funds equal to the total amount of SBA funding. At least 50% of the Matching Funds must be Cash Match. The remaining 50% may be provided through any allowable combination of additional cash, in-kind contributions, or indirect costs.

(b) All sources of Matching Funds must be identified as specifically as possible in the budget proposal. Cash sources shall be identified by name and account. All applicants must submit a Certification of Cash Match and Program Income executed by an authorized official of the recipient organization or any sponsoring SBDC organization providing Cash Match through a subcontract agreement. The account containing such cash must be under the direct management of the SBDC Director, or, if provided by a sponsoring SBDC organization, its subcenter Director. If a political entity is providing such cash and the funds have not been appropriated prior to issuance of the Cooperative Agreement, the recipient organization must certify that sufficient funds will be available from the political entity prior to the use of Federal dollars.

(c) The Grants Management Specialist is responsible for determining whether Matching Funds or Cash Match meet the requirements of the Act and appropriate OMB circulars.

(d) *Overmatched Amounts.* (1) SBDC are encouraged to furnish Overmatched Amounts.

(2) An Overmatched Amount can be applied to additional Matching Funds requirements necessitated by any supplemental funding increase received by the SBDC during the budget period, as long as the total Cash Match provided by the SBDC is 50% or more of the total SBA funds provided during the budget period.

(3) If used in the manner described in paragraph (d)(2) of this section, such

Overmatched Amount is reclassified as committed Matching Funds.

(4) Allowable Overmatched Amounts which have not been used in the manner described in paragraph (d)(2) of this section may, with the approval of the AA/SBDCs, be used as a credit to offset any confirmed audit disallowances applicable only to the budget period in which the Overmatched Amount exists and the two previous budget periods. Such offsetting funds shall be considered Matching Funds.

(e) *Impermissible sources of Matching Funds.* Under no circumstances may the following be used as sources of the Matching Funds of the recipient organization:

- (1) Uncompensated student labor;
- (2) SCORE, ACE, or SBI volunteers;
- (3) Program income or fees collected from small businesses receiving assistance;
- (4) Funds or indirect or in-kind contributions from any other Federal source.

§ 130.460 Budget justification.

The SBDC Director, as a part of the renewal application, or the applicant organization's authorized representative in the case of a new SBDC application, shall prepare and submit to the SBA Project Officer the budget justification for the upcoming budget period. The budget shall be reviewed annually upon submission of a renewal application.

(a) *Direct costs.* Unless otherwise provided in applicable OMB circulars, at least eighty percent (80%) of SBA funding must be allocated to direct costs of Program delivery.

(b) *Indirect costs.* If the applicant organization waives all indirect costs to meet the Matching Funds requirement, one hundred percent (100%) of SBA funding must be allocated to program delivery. If some, but not all, indirect costs are waived to meet the Matching Funds requirement, the lesser of the following may be allocated as indirect costs of the Program and charged against the Federal contribution:

- (1) Twenty percent (20%) of Federal contribution, or
- (2) The amount remaining after the waived portion of indirect costs is subtracted from the total indirect costs.

(c) *Separate SBDC service provider budgets.* (1) The applicant organization shall include separate budgets for all subcontracted SBDC service providers in conformity with OMB requirements. Applicable direct cost categories and indirect cost base/rate agreements shall be included for the Lead Center and all SBDC service providers, using a rate equal to or less than the negotiated predetermined rate. If no such rate exists, the sponsoring SBDC organization or SBDC service provider shall negotiate a rate with its Cognizant Agency. In the event the sponsoring SBDC organization or SBDC service provider does not have a Cognizant Agency, the rate shall be negotiated with the SBA Project Officer in accordance with OMB guidelines (see OMB Circular A-21).

(2) The amount of cash, in-kind contributions and indirect costs for the Lead Center and all sub-contracted SBDC service providers shall be indicated in accordance with OMB requirements.

(d) *Cost principles.* Principles for determining allowable costs are contained in OMB Circulars A-21 (cost principles for grants, contracts, and other agreements with educational institutions), A-87 (cost principles for programs administered by State and local governments), and A-122 (cost principles for nonprofit organizations).

(e) *Costs associated with lobbying.* No portion of the Federal contribution received by an SBDC may be used for lobbying activities, either directly by the SBDC or indirectly through outside organizations, except those activities permitted by OMB. Restrictions on and reports of lobbying activities by the SBDC shall be in accordance with OMB requirements, Section 319 of Public Law No. 101-121, and the annual Program Announcement.

(f) *Salaries.* (1) If a recipient organization is an educational institution, the salaries of the SBDC Director and the subcenter Directors must approximate the average annualized salary of a full professor and an assistant professor, respectively, in the school or department in which the SBDC is located. If a recipient organization is not an educational institution, the salaries of the SBDC Director and the subcenter Di-

rectors must approximate the average salaries of parallel positions within the recipient organization. In both cases, the recipient organization should consider the Director's longevity in the Program, the number of subcenters and the individual's experience and background.

(2) Salaries for all other positions within the SBDC should be based upon level of responsibility, and be comparable to salaries for similar positions in the area served by the SBDC.

(3) Recruitment and salary increases for SBDC Directors, subcenter Directors and staff members should conform to the administrative policy of the recipient organization.

(g) *Travel.* All travel must be separately identified in the proposed budget as planned in-State, planned out-of-State, unplanned in-State or unplanned out-of-State. All proposed travel must use coach class, apply directly to specific work of the SBDC or be incurred in the normal course of Program administration, and conform to the written travel policies of the recipient organization or the sponsoring SBDC organization. (Per diem rates, including lodging, shall not exceed those authorized by the recipient organization.) Transportation costs must be justified in writing, including the estimated cost, number of persons traveling, and the benefit to be derived by the small business community from the proposed travel. A specific projected amount, based on the SBDC's past experience, where appropriate, must also be included in the budget for unplanned travel. A more detailed justification must be given for unplanned out-of-State travel. Any proposed unplanned out-of-State travel exceeding the approved budgeted amount for travel must be submitted to the Project Officer for approval on a case-by-case basis. Travel outside the United States must have prior approval by the AA/SBDCs on a case-by-case basis.

(h) *Dues.* Costs of memberships in business, technical, and professional organizations shall be allowable expenses. The use of Federal funds to pay dues for business, technical and professional organizations shall be permitted, provided that the payments are

§ 130.470

included in the budget proposal, are approved by the SBA and comply with § 130.460(e).

§ 130.470 Fees.

An SBDC may charge clients a reasonable fee to cover the costs of Training sponsored or cosponsored by the SBDC, costs of services provided by or obtained from third parties, or the costs of providing Specialized Services. Fees may not be imposed for Counseling.

§ 130.480 Program income.

(a) Program income for recipient organizations or SBDC service providers based in universities or nonprofit organizations shall be subject to OMB requirements (see OMB Circular A-110). Program income for recipient organizations or SBDC service providers based in State or local governments shall be subject to OMB requirements (see the provisions of § 7.e and Attachment E of OMB Circular A-102) and 13 CFR 143.25.

(b) Program income, including any interest earned on Program income, must be used to expand the quantity or quality of services, resources or outreach provided by the SBDC network. It cannot be used to satisfy the requirements for Matching Funds. The Project Officer shall monitor the use of Program income. Any unused Program income will be carried over to a subsequent budget period.

(c) SBDCs must report in detail on standard SBA forms receipts and expenditures of program income, including any income received through cosponsored activities. A narrative description of how Program income was used to accomplish Program objectives shall be included.

§ 130.500 Funding.

The SBA funds Cooperative Agreements through its internal Letter of Credit Replacement System (LORS), using SBA standard forms to establish and modify letters of credit. SBDCs must use SBA standard forms to draw down funds required to meet their estimated or actual expenses and to submit quarterly cash transactions reports used by SBA to monitor the frequency of drawdowns and the cash-on-hand balance. Repeated drawdowns in

13 CFR Ch. I (1-1-01 Edition)

excess of immediate cash needs may result in the cancellation of the letter of credit. If interest results from the deposit of any drawdowns in an interest-bearing account, SBDCs, other than State government sponsored SBDCs, must report and return such interest annually to SBA.

§ 130.600 Cooperative agreement. [Reserved]

§ 130.610 General terms.

Upon approval of the initial or renewal application, SBA will enter into a Cooperative Agreement with the recipient organization, setting forth the programmatic and fiscal responsibilities of the recipient organization and SBA, the scope of the project to be funded, and the budget of the program year covered by the Cooperative Agreement. Administrative requirements are contained in 13 CFR 143 and applicable OMB Circulars.

§ 130.620 Revisions and amendments to cooperative agreement.

(a) *Requests for revisions.* The recipient organization may request at any time one or more revisions to the Cooperative Agreement on an appropriate SBA form signed by the recipient organization's authorized representative (including a revised budget and budget narrative, if applicable). Revisions will normally relate to changes in scope, work or funding during the specified budget year.

(b) *Revisions which require amendment to Cooperative Agreement.* The Cooperative Agreement shall list the revisions which require Project Officer concurrence, review by the Program Manager and the Grants Management Specialist, approval of the AA/SBDCs and amendment of the Cooperative Agreement. No application for an amendment shall be effective until it is approved and incorporated into the Cooperative Agreement. Revisions which require amendments shall include:

- (1) Any change in project scope or objectives;
- (2) The addition or deletion of any subgrants or contracts;
- (3) The addition of any new budget line items;
