(c)(1) The performance of all of the Borrower's obligations under the Loan Documents shall be secured by, and shall have the priority in, such Security as provided for within the terms and conditions of the Guarantee.

(2) Without limiting the Lender's or Borrower's obligations under paragraph (c) of this section, at a minimum, the loan shall be secured by:

(i) A fully perfected and enforceable security interest and/or lien, with first priority over conflicting security interests or other liens in all property acquired, improved, refinanced, or derived from the loan funds;

(ii) A fully perfected and enforceable security interest and/or lien in any other property of the Borrower's pledged to secure the loan, including accessions, replacements, proceeds, or property given by a third party as Security for the loan.

(3) The entire loan will be secured by the same Security with equal lien priority for the guaranteed and the unguaranteed portions of the loan. The unguaranteed portion of the loan will neither be paid first nor given any preference over the guaranteed portion.

(4) An Applicant's compliance with paragraph (c)(2) of this section does not assure a finding of reasonable assurance of repayment, or assure the Board's Guarantee of the loan.

(d) An eligible Lender may assess and collect from the Borrower such other fees and costs associated with the application and origination of the loan as are reasonable and customary, taking into consideration the amount and complexity of the credit. The Board may take such other fees and costs into consideration when determining whether to offer a Guarantee to the Lender.
