Subpart B—Board Procedures

§ 500.100 Purpose and scope.

This subpart describes the Board's authorities and organizational structure, the means and rules by which the Board takes actions, and procedures for public access to Board records.

§ 500.101 Composition of the Board.

The Board consists of the Chairman of the Board of Governors of the Federal Reserve System, who acts as Chairman of the Board, the Chairman of the Securities and Exchange Commission, and the Secretary of Commerce.

§ 500.102 Authority of the Board.

Pursuant to the provisions of the Act, the Board is authorized to guarantee loans provided to Qualified Oil and Gas companies by private banking and investment institutions in accordance with the procedures, rules, and regulations established by the Board, to make the determinations authorized

13 CFR Ch. V (1–1–01 Edition)

by the Act, and to take such other actions as necessary to carry out its functions in accordance with the Act.

§ 500.103 Offices.

The principal offices of the Board are in the U.S. Department of Commerce, Washington, D.C. 20230.

§ 500.104 Meetings and actions of the Board.

(a) *Place and frequency.* The Board meets, on the call of the Chairman, in order to consider matters requiring action by the Board. Time and place for any such meeting shall be determined by the members of the Board.

(b) *Quorum and voting.* Two voting members of the Board constitute a quorum for the transaction of business. All decisions and determinations of the Board shall be made by a majority vote of the voting members. All votes on determinations of the Board required by the Act shall be recorded in the minutes. A Board member may request that any vote be recorded according to individual Board members.

(c) *Agenda of meetings.* To the extent practicable, an agenda for each meeting shall be distributed to members of the Board at least two days in advance of the date of the meeting, together with copies of materials relevant to the agenda items.

(d) *Minutes.* The Secretary of the Board shall keep minutes of each Board meeting and of action taken without a meeting, a draft of which is to be distributed to each member of the Board as soon as practicable after each meeting or action. To the extent practicable, the minutes of a Board meeting shall be corrected and approved at the next meeting of the Board.

(e) *Use of conference call communications equipment.* Any member may participate in a meeting of the Board through the use of conference call, telephone or similar communications equipment, by means of which all persons participating in the meeting can simultaneously speak to and hear each other. Any member so participating in a meeting shall be deemed present for all purposes. Actions taken by the Board at meetings conducted through the use of such equipment, including

the votes of each member, shall be recorded in the usual manner in the minutes of the meetings of the Board.

(f) *Actions between meetings.* When, in the judgment of the Chairman, circumstances occur making it desirable for the Board to consider action when it is not feasible to call a meeting, the relevant information and recommendations for action may be transmitted to the members by the Secretary of the Board and the voting members may communicate their votes to the Chairman in writing (including an action signed in counterpart by each Board member), electronically, or orally (including telephone communication). Any action taken under this paragraph has the same effect as an action taken at a meeting. Any such action shall be recorded in the minutes.

(g) *Delegations of authority.* The Board may delegate authority, subject to such terms and conditions as the Board deems appropriate, to the Executive Director, the General Counsel, or the Secretary of the Board, to take certain actions not required by the Act to be taken by the Board. All delegations shall be made pursuant to resolutions of the Board and recorded in writing, whether in the minutes of a meeting or otherwise. Any action taken pursuant to delegated authority has the effect of an action taken by the Board.

§ 500.105 Staff.

(a) *Executive Director.* The Executive Director of the Board advises and assists the Board in carrying out its responsibilities under the Act, provides general direction with respect to the administration of the Board's actions, directs the activities of the staff, and performs such other duties as the Board may require.

(b) *General Counsel.* The General Counsel of the Board provides legal advice relating to the responsibilities of the Board and performs such other duties as the Board may require.

(c) *Secretary of the Board.* The Secretary of the Board sends notice of all meetings, prepares minutes of all meetings, maintains a complete record of all votes and actions taken by the Board, has custody of all records of the Board and performs such other duties as the Board may require.

§ 500.106 Ex parte communications.

Oral or written communication, not on the public record, between the Board, or any member of the Board, and any party or parties interested in any matter pending before the Board concerning the substance of that matter is prohibited. This section also applies to the Board's staff and employees of the constituent agencies who are or reasonably may be expected to be involved in the decisional process of the matter pending before the Board.

§ 500.107 Freedom of Information Act.

(a) *Definitions.* All terms used in this section which are defined in 5 U.S.C. 551 or 5 U.S.C. 552 shall have the same meaning in this section. In addition the following definitions apply to this section:

(1) *FOIA*, as used in this section, means the "Freedom of Information Act," as amended, 5 U.S.C. 552.

(2) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made.

(3) *Direct costs* mean those expenditures that the Board actually incurs in searching for, reviewing, and duplicating documents in response to a request made under paragraph (c) of this section. Direct costs include, for example, the labor costs of the employee performing the work (the basic rate of pay for the employee, plus 16 percent of that rate to cover benefits). Not included in direct costs are overhead expenses such as the costs of space and heating or lighting of the facility in which the records are kept.

(4) *Duplication* means the process of making a copy of a document in response to a request for disclosure of records or for inspection of original records that contain exempt material or that otherwise cannot be inspected directly. Among others, such copies may take the form of paper, microfilm, audiovisual materials, or machine-readable documentation (e.g., magnetic tape or disk).
