

§ 500.202

banking agencies enumerated in 12 U.S.C. § 1813; or

(2) An investment institution, such as an investment bank, commercial finance company, or insurance company, that is currently engaged in commercial lending in the normal course of its business.

(b)(1) If more than one banking or investment institution is applying to the Board for a Guarantee of a single loan, each one of the banking or investment institutions on the application must meet the requirements to be an eligible lender set forth in paragraph (a) of this section.

(2) An application for a Guarantee of a single loan submitted by a group of banking or investment institutions, as described in paragraph (b)(1) of this section, must identify one of the banking or investment institutions applying for such loan to act as agent for all. This agent is responsible for administering the loan and shall have those duties and responsibilities required of an agent, as set forth in the Guarantee.

(3) Each Lender, irrespective of any indemnities or other agreements between the Lenders and the Agent, shall be bound by all actions, and/or failures to act, of the Agent. The Board shall be entitled to rely upon such actions and/or failures to act of the Agent as binding the Lenders.

(c) Status as a Lender under paragraph (a) of this section does not assure that the Board will issue the Guarantee sought, or otherwise preclude the Board from declining to issue a Guarantee. In addition to evaluating an application pursuant to § 500.207, in making a determination to issue a Guarantee to a Lender, the Board will assess:

(1) The Lender's level of regulatory capital, in the case of banking institutions, or net worth, in the case of investment institutions;

(2) Whether the Lender possesses the ability to administer the loan, as required by § 500.211(b), including its experience with loans to oil and gas companies;

(3) The scope, volume and duration of the Lender's activity in administering loans;

13 CFR Ch. V (1-1-01 Edition)

(4) The performance of the Lender's loan portfolio, including its current delinquency rate;

(5) The Lender's loss rate as a percentage of loan amounts for its current fiscal year; and

(6) Any other matter the Board deems material to its assessment of the Lender.

(d) In the case of the refinancing of an existing credit, the applicant must be a different lender than the holder of the existing credit.

(a) All loans guaranteed under the Program shall be due and payable in full no later than December 31, 2010.

(b) Loans guaranteed under the Program must bear a rate of interest determined by the Board to be reasonable. The reasonableness of an interest rate will be determined with respect to current average yields on outstanding obligations of the United States with remaining periods of maturity comparable to the term of the loan sought to be guaranteed. The Board may reject an application to guarantee a loan if it determines the interest rate of such loan to be unreasonable.

(c)(1) The performance of all of the Borrower's obligations under the Loan Documents shall be secured by, and shall have the priority in, such Security as provided for within the terms and conditions of the Guarantee.
