§ 303.9 Restrictions on the transfer of duty-exemptions.

(a) The sale or transfer of a duty-exemption from one firm to another shall not be permitted.

(b) The sale or transfer of a business together with its duty-exemption shall be permitted with prior written notification to the Departments. Such notification shall be accompanied by certifications and representations, as appropriate, that:

(1) If the transferee is a subsidiary of or in any way affiliated with any other company engaged in the production of watch movements components being offered for sale to any territorial producer, the related company or companies will continue to offer such watch and watch movement components on equal terms and conditions to all willing buyers and shall not engage in any practice, in regard to the sale of components, that competitively disadvantages the non-affiliated territorial producers *vis-a-vis* the territorial subsidiary;

(2) The sale or transfer price for the business together with its duty-exemption does not include the capitalization of the duty-exemption *per se*;

(3) The transferee is neither directly or indirectly affiliated with any other territorial duty-exemption holder in any territory;

(4) The transferee will not modify the watch assembly operations of the duty-exemption firm in a manner that will significantly diminish its economic contributions to the territory.

(c) At the request of the Departments, the transferee shall permit representatives of the Departments to in-

spect whatever records are necessary to establish to their satisfaction that the certifications and representations contained in paragraph (b) of this section have been or are being met.

(d) Any transferee who is either unwilling or unable to make the certifications and representations specified in paragraph (b) of this section shall secure the Departments' approval in advance of the sale or transfer of the business together with its duty-exemption. The request for approval shall specify which of the certifications specified in paragraph (b) of this section the firm is unable or unwilling to make, and give reasons why such fact should not constitute a basis for the Departments' disapproval of the sale or transfer.

(2) All refund requests made pursuant to the certificates shall be entered on the reverse side of the certificate.

§ 303.13

(c) *The use and transfer of certificate entitlements.* (1) Insular producers issued a certificate may request a refund by executing a Form ITA-361P (see §303.2(b)(5) and the instructions on the form). After authentication by the Department of Commerce, the Form ITA-361P may be used to obtain duty refunds on watch movements, watches, and parts therefor. Duties on watchcases not containing a movement and on articles containing any material which is the product of a country with respect to which Column 2 rates of duty apply may not be refunded. Articles for which duty refunds are claimed must have entered the customs territory of the United States during the two-year period prior to the issue date of the certificate or during the one-year period the certificate remains valid. Copies of the appropriate Customs entries must be provided with the refund request in order to establish a basis for issuing the claimed amounts. Certification regarding drawback claims and liquidated refunds relating to the presented entries is required from the claimant on the form.

(2) Regulations issued by the U.S. Customs Service, U.S. Department of the Treasury, govern the refund of duties under Pub. L. 97-446, as amended by Public Law 103-465. (3) The insular producer may transfer a portion of all of its certificate entitlement to another party by entering in block C of Form ITA-361P the name and address of the party.

(4) After a Form ITA-361P transferring a certificate entitlement to a party other than the certificate holder has been authenticated by the Department of Commerce, the form may be exchanged for any consideration satisfactory to the two parties. In all cases, authenticated forms shall be transmitted to the certificate holder or its authorized custodian for disposition (see paragraph (b) above).

(5) All disputes concerning the use of an authenticated Form ITA-361P shall be referred to the Departments for resolution. Any party named on an au-

thenticated Form ITA-361P shall be considered an "interested party" within the meaning of §303.13 of this part.
