

**Subpart A—Objectives**

**§ 930.1 Overall objectives.**

The objectives of these regulations are:

(a) To describe the obligations of all agencies, individuals and other parties who are required to comply with the Federal consistency provisions of the Coastal Zone Management Act;

(b) To implement the Federal consistency provisions in a manner which strikes a balance between the need to ensure consistency for Federal actions affecting the coastal zone with approved coastal management and the need to promote Federal programs;

(c) To provide flexible procedures which foster intergovernmental cooperation and minimize duplicative effort and unnecessary delay, while making certain that the objectives of the Federal consistency provisions of the Act are satisfied;

(d) To interpret significant terms in the Federal consistency provisions so that they can be uniformly understood and adhered to by all agencies, individuals and other affected parties;

(e) To provide procedures to make certain that all Federal agency and State agency consistency decisions are directly related to the objectives, policies, standards and other criteria set forth in, or referenced as part of, approved coastal management programs;

(f) To provide procedures which the Secretary, in cooperation with the Executive Office of the President, may use to mediate serious disagreements which arise between Federal and State agencies during the administration of approved coastal management programs;

(g) To provide procedures which permit the Secretary to review Federal license or permit activities, or Federal assistance activities, to determine whether they are consistent with the objectives or purposes of the Act, or are necessary in the interest of national security;

(h) To provide procedures which permit interested parties to notify the Assistant Administrator for Coastal Zone Management of Federal actions believed to be inconsistent with approved coastal management programs, or believed to have been incorrectly deter-

mined to be inconsistent with an approved management program; and

(i) To provide procedures for the reporting of any Federal actions found by the Assistant Administrator for Coastal Zone Management to be inconsistent with an approved coastal zone management program, and for the performance review of State implementation of the Federal consistency provisions.
