furthered by the requested disclosure, and

(5) Whether the magnitude of the identified commercial interest of the requester is sufficiently large, in comparison with the public interest in disclosure, that disclosure is primarily in the commercial interest of the requester.

(b) A fee waiver request must indicate the existence and magnitude of any commercial interest that the requester has in the records that are the subject of the request.

§ 1631.13 Prepayment of fees over \$250.

(a) When the Board estimates or determines that allowable charges that a requester may be required to pay are likely to exceed \$250.00, the Board may require a requester to make an advance payment of the entire fee before continuing to process the request.

(b) When a requester has previously failed to pay a fee charged in a timely fashion (*i.e.*, within 30 calendar days of the date of the billing), the Board may require the requester to pay the full amount owed plus any applicable interest as provided in § 1631.14(d), and to make an advance payment of the full amount of the estimated fee before the agency begins to process a new request or a pending request from that requester.

(c) When the Board acts under paragraph (a) or (b) of this section, the administrative time limits prescribed in subsection (a)(6) of the FOIA (*i.e.*, 20 working days from the receipt of initial requests and 20 working days from receipt of appeals from initial denial, plus permissible extensions of these time limits) will begin only after the Board has received fee payments under paragraph (a) or (b) of this section.

§ 1631.14 Fee schedule.

(a) *Manual searches for records.* The Board will charge at the salary rate(s) plus 23.5 percent (to cover benefits) of the employee(s) conducting the search. The Board may assess charges for time spent searching, even if the Board fails to locate the records or if records lo-

cated are determined to be exempt from disclosure.

(b) *Computer searches for records.* The Board will charge the actual direct cost of providing the service. This will include the cost of operating the central processing unit (CPU) for that portion of operating time that is directly attributable to searching for records responsive to a FOIA request and operator/programmer salary, plus 23.5 percent, apportionable to the search. The Board may assess charges for time spent searching, even if the Board fails to locate the records or if records located are determined to be exempt from disclosure.

(c) *Duplication costs.* (1) For copies of documents reproduced on a standard office copying machine in sizes up to 8½ × 14 inches, the charge will be \$.15 per page.

(2) The fee for reproducing copies of records over 8½ × 14 inches, or whose physical characteristics do not permit reproduction by routine electrostatic copying, shall be the direct cost of reproducing the records through Government or commercial sources. If the Board estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester had indicated in advance his/her willingness to pay fees as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(3) For copies prepared by computer, such as tapes or printouts, the Board shall charge the actual cost, including operator time, of producing the tape or printout. If the Board estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(4) For other methods of reproduction or duplication, the Board shall charge the actual direct costs of producing the

document(s). If the Board estimates that the allowable duplication charges are likely to exceed \$25, it shall notify the requester of the estimated amount of fees, unless the requester has indicated in advance his/her willingness to pay fees as high as those anticipated. Such a notice shall offer a requester the opportunity to confer with agency personnel with the objective of reformulating the request to meet his/her needs at a lower cost.

(d) Interest may be charged to those requesters who fail to pay fees charged. The Board may begin assessing interest charges on the amount billed starting on the 31st calendar day following the day on which the billing was sent. Interest will be at the rate prescribed in section 3717 of title 31 of the United States Code, and it will accrue from the date of the billing.

(e) The Board shall use the most efficient and least costly methods to comply with requests for documents made under the FOIA. The Board may choose to contract with private sector services to locate, reproduce, and disseminate records in response to FOIA requests when that is the most efficient and least costly method. When documents responsive to a request are maintained for distribution by agencies operating statutory-based fee schedule programs, such as, but not limited to, the Government Printing Office or the National Technical Information Service, the Board will inform requesters of the steps necessary to obtain records from those sources.

§ 1631.15 Information to be disclosed.

(a) In general, all records of the Board are available to the public, as required by the Freedom of Information Act. However, the Board claims the right, where it is applicable, to withhold material under the provisions specified in the Freedom of Information Act as amended (5 U.S.C. 552(b)).

(b) *Records from non-U.S. Government source.* (1) Board personnel will generally consider two exemptions in the FOIA in deciding whether to withhold from disclosure material from a non-U.S. Government source.

Exemption 4 permits withholding of "trade secrets and commercial or financial information obtained from a person as privileged or confidential." Exemption 6 permits withholding certain information, the disclosure of which "would constitute a clearly unwarranted invasion of personal privacy."

(2)(i) *Exemption 4.* Commencing January 1, 1988, the submitter of confidential commercial information must, at the time the information is submitted to the Board or within 30 calendar days of such submission, designate information the disclosure of which the submitter claims could reasonably be expected to cause substantial competitive harm. The submitter as part of its submission, must explain the rationale for the designation of the information as commercial and confidential.

(ii) Confidential commercial information means records provided to the Board by a submitter that arguably contains material exempt from release under Exemption 4 of the FOIA, 5 U.S.C. 552(b)(4), because disclosure could reasonably be expected to cause substantial competitive harm.

(iii) After January 1, 1988, a submitter who does not designate portions of a submission as confidential commercial information waives that basis for nondisclosure unless the Board determines that it has substantial reason to believe that disclosure of the requested records would result in substantial harm to the competitive position of the submitter.

(3) When the Board determines that it has substantial reason to believe that disclosure of the requested records would result in substantial competitive harm to the submitter, and has no designation from the submitter, it shall notify the submitter of the following:

(i) That a FOIA request has been received seeking the record,

(ii) That disclosure of the record may be required,

(iii) That disclosure of the record could result in competitive harm to the submitter,

(iv) That the submitter has a period of seven workdays from date of notice within which it or a designee may object to the disclosure its records, and
