§ 1655.13 Distributions.

(a) The Board will declare the unpaid loan principal, plus unpaid interest, to be a taxable distribution from the Plan if:

(1) A participant is in confirmed non-pay status for a period of one year or more and the participant has not prepaid the loan as provided in § 1655.17;

(2) A participant separates from Government service and does not repay the outstanding loan principal and interest in full within a date which is the earlier of:

(i) 90 calendar days after the date of the notice from the recordkeeper to the participant explaining his or her prepayment options that are available upon separation from Government service; or

(ii) 90 calendar days after the date of the notice from the recordkeeper to the participant that, because his or her payments were incorrect or missing for 90 calendar days (pursuant to § 1655.15(a)), his or her loan must be reamortized or prepaid in full or a taxable distribution will be declared;

(3) There are incorrect or missing payments (as described in § 1655.15) and the participant fails to or is ineligible to exercise one of the reamortization or repayment in full options set forth in § 1655.15;

(4) Any material information provided in accordance with §§ 1655.10 or 1655.11 is found to be false;

(5) The loan is not repaid in full (including interest due) within five years, in the case of any loan other than a loan for purchase of a primary residence, or 18 years, in the case of a loan for purchase of a primary residence, of the loan issue date;

(6) The participant dies.

(b) If a distribution occurs in accordance with paragraph (a) of this section,

5 CFR Ch. VI (1-1-01 Edition)

the Board will notify the participant or, in the case of death, the estate of the amount and date of the distribution. The Board will report the distribution to the Internal Revenue Service as income for the year in which it occurs.

§ 1655.14 Loan payments.

(a) Loan payments (except for prepayments) may only be made through a discretionary payroll allotment. The allotment must remain in effect for the life of the loan.

(b) The initial payment on a loan is due on or before the 60th day following the loan issue date. The date when the initial payment is due may be adjusted by the Executive Director from time to time.

(c) Subsequent payments are due at regular intervals according to the participant's pay cycle as prescribed in the Loan Agreement/Promissory Note.

§ 1655.15 Incorrect payments.

(a) If correct payments are not processed by the recordkeeper for a period in excess of 90 calendar days from the applicable one of the following dates:

(1) The date of the last correct payment;

(2) The date of the first incorrect payment, if there have been no prior correct payments; or

(3) The date the first payment was due (as calculated under § 1655.14(b)), if there have been no payments;

the procedures stated in paragraph (b) of this section will apply.

(b)(1) Interest from the beginning of the 90-day period described in paragraph (a) of this section will be added to the outstanding loan principal and the participant will be required to reamortize the loan. Generally, a reamortization schedule will be calculated to maintain the remaining number of payments scheduled for the loan. The recordkeeper will prepare and send a Rider to the Loan Agreement/Promissory Note and a new payroll allotment form to the participant. The recordkeeper must receive from the participant a signed Rider to the Loan Agreement/Promissory Note and

a newly signed payroll allotment form within 45 calendar days of the date the Rider is prepared. If the 45th day falls on a Saturday, Sunday, or a Federal holiday, the deadline will be the next business day.

(2) If the remaining number of payments would cause the loan term to extend beyond 18 years less 120 days from the loan issue date for a loan for the purchase of a primary residence, or five years less 120 days from the loan issue date for any other loan, the recordkeeper will reamortize the loan to enable the entire amount of principal and interest to be repaid within those limits. The recordkeeper will prepare and send to the participant a Rider to the Loan Agreement/Promissory Note and a new payroll allotment form. The recordkeeper must receive from the participant, within 45 calendar days of the date the Rider is prepared, the signed Rider to the Loan Agreement/Promissory Note and a newly signed payroll allotment form. If the 45th day falls on a Saturday, Sunday, or a Federal holiday, the deadline will be the next business day.

(3) If no reamortized payments can be calculated under this section to allow the loan to be repaid within the time limit described in paragraph (b)(2) of this section, and the participant does not prepay the loan in full, a taxable distribution will be declared.

(4) If the reamortized loan principal would exceed the maximum loan amount as calculated under §1655.6(b), the loan will not be reamortized. The participant must prepay the loan in full or a taxable distribution will be declared.

(5) If a participant does not sign and return the Rider to the Loan Agreement/Promissory Note, and the participant does not prepay the loan in full, a taxable distribution will be declared.

(6) A reamortization will be calculated based on the assumption that the reamortization will be completed 50 days after the Rider to the Loan Agreement/Promissory Note is prepared.

(c) If a period of incorrect payments does not exceed the 90-day period described in paragraph (a) of this section, no reamortization is required under paragraph (b) of this section. Any un-

paid principal will be paid by additional payments in the same amount as the existing payments added to the term of the loan. Any overpaid principal will cause the loan repayment period to be shortened. If the additional payments would extend the term of the loan beyond five years from the loan issue date (or 18 years from the loan issue date in the case of a loan for the purchase of a primary residence), the participant must either reamortize the loan so as to establish scheduled payments that will repay the loan within those time periods or prepay in full the remaining unpaid amounts. If the participant does neither, a taxable distribution will be declared.

(d) For purposes of this section, incorrect payments include insufficient, excessive, and missing payments.

§ 1655.16 Reamortization.

(a) Reamortization of a loan will occur in the following situations:

(1) Under the rules stated in §1655.15;

(2) Where a participant transfers between agencies and changes pay schedules, the loan will be required to be reamortized to reflect the changed schedule. A new payroll allotment form must be completed and signed by the participant to reflect this changed schedule;

(3) Where a participant has had his or her loan established on the basis of a particular pay schedule (e.g., bi-weekly), but actual loan payments are made on a different pay schedule (e.g., monthly), the loan will be reamortized to reflect the correct pay schedule. A new payroll allotment form must be completed and signed to reflect the correct pay schedule;

(4) A participant may voluntarily reamortize a loan, subject to the following conditions:

(i) A voluntary reamortization may occur only if the participant is not currently required to reamortize the loan under the rules stated in this part;

(ii) An outstanding loan may be voluntarily reamortized only once;
