§ 837.102 Definitions.

Actual service means the period of time during which an annuitant is re-employed, excluding periods of separation and non-pay status.

Annuitant means a former employee or Member who is receiving, or meets the legal requirements and has filed claim for, annuity under either CSRS or FERS based on his or her service.

Another retirement system or “other retirement system” means a program created by Federal or District of Columbia statute or regulation and administered by an agency of the Federal Government or District of Columbia that provides retirement and/or death benefits to Federal or District of Columbia employees whose employment would otherwise be subject to the provisions of CSRS or FERS, or that credits service in the computation of benefits that would otherwise be credited in the computation of a CSRS or FERS benefit, or that provides a death benefit when a death benefit is payable from CSRS or FERS.

CSRS means the Civil Service Retirement System, as described in subchapter III of chapter 83 of title 5, United States Code.

CSRS annuitant means an annuitant retired under CSRS.

CSRS-Offset service means service by a reemployed CSRS annuitant that is subject to the OASDI tax by operation of section 101 of Public Law 98-21. It does not include any service performed before January 1, 1984.

CSRS-Offset wages means basic pay, as defined under 5 U.S.C. 8331(3), of an employee or Member performing CSRS-Offset service, but not to exceed the contribution and benefit base for the calendar year involved.

Continuous service means reemployment without a period of separation from service, or conversion to intermittent status, of more than 3 days.

Contribution and benefit base means the contribution and benefit base in effect with respect to the period involved, as determined under section 230 of the Social Security Act.

FEC means Federal Employees Compensation, that is, benefits paid on the basis of a work-related disease or injury under the provisions of chapter 81 of title 5, United States Code, but does
