

§ 1208.53

failure to submit a report when due shall be considered to have been payable by the date it would have been due if the report had been filed when due. The timeliness of a payment to the Council shall be based on the applicable postmark date or the date actually received by the Council, whichever is earlier.

§ 1208.53 Adjustment of accounts.

Whenever the Council or the Secretary determines through an audit of a person's reports, records, books, or accounts or through some other means that additional money is due the Council or that money is due such person from the Council, such person shall be notified of the amount due. The person shall then remit any amount due the Council by the next date for remitting assessments. Overpayments shall be credited to the account of the person remitting the overpayment and shall be applied against amounts due in succeeding months.

§ 1208.54 Refunds of assessments and escrow account.

(a) Any qualified handler may demand and receive from the escrow account, subject to the limitation on such payments provided in paragraph (c), a one-time refund of any assessments paid by or on behalf of the handler if the handler requests the refund before the initial referendum on this subpart is held and this subpart is rejected by the voters when it is submitted to the referendum. Such a refund will be paid only if all of the following conditions are met:

(1) The handler has paid the assessments sought to be refunded and has submitted proof of such payment;

(2) The handler does not support the program established under this subpart and so states in the handler's demand for a refund;

(3) The handler's demand for a refund is made on a form specified by the Council and filed not less than 10 days prior to the date when the initial referendum, conducted pursuant to §1208.60(a) to ascertain whether this subpart shall remain in effect, is scheduled to begin; and

(4) This subpart is not approved by a simple majority of the votes cast by

qualified handlers in the initial referendum.

(b) The Council shall establish an escrow account to be used for assessment refunds, as needed, and shall place into the account an amount equal to 10 percent of the total amount of assessments collected during the period beginning on December 29, 1994 and ending on the date the results of the initial referendum are issued and the initial referendum is completed.

(c) If the amount in the escrow account is not sufficient to refund the total amount of assessments demanded by all qualified handlers determined eligible for refunds and this subpart is not approved in the referendum, the Council shall prorate the amount of all such refunds among all eligible qualified handlers that demand the refund. If there is any amount in excess of the amount needed to pay refunds and expenses, it shall be returned pro rata to those who paid assessments. If this subpart is approved in the referendum, there shall be no refunds made, and all funds in the escrow account shall be returned to the Council for use by the Council in accordance with the other provisions of this subpart.

§ 1208.55 Postponement of collections.

(a) The Council may grant a postponement of the payment of an assessment under this subpart for any qualified handler that establishes that it is financially unable to make the payment. In order that a qualified handler that is financially unable to pay an assessment may have the opportunity to petition the Council to postpone payment of such an assessment, as provided in the Act, the Council shall develop forms and procedures for this purpose as expeditiously as possible and submit them to the Secretary for approval and issuance after notice and an opportunity for public comment thereon. Such procedures shall, among other things, require that the handler demonstrate the handler's inability to pay through the submission of an opinion prepared by an independent certified public accountant (at the handler's expense) and any other documentation specified therein to the effect that the handler is insolvent or will be unable to continue to operate if
