Council shall take appropriate steps to implement it.

(c) Each programs, plan, or project implemented under this subpart shall be reviewed or evaluated periodically by the Council to ensure that it contributes to an effective program of promotion, research, consumer information, or industry information. If it is found by the Council that any such program, plan, or project does not contribute to an effective program of promotion, research, consumer information, or industry information, then the Council shall terminate such program, plan, or project.

(d) In carrying out any program, plan, or project, no reference to a brand name, trade name, or State or regional identification of any mushrooms or mushroom product shall be made. In addition, no program, plan, or project shall make use of unfair or deceptive acts or practices with respect to the quality, value, or use of any competing product.

EXPENSES AND ASSESSMENTS

§ 1209.50 Budget and expenses.

(a)(1) At least 60 days prior to the beginning of each fiscal year, and as may be necessary thereafter, the Council shall prepare and submit to the Secretary a budget for the fiscal year covering its anticipated expenses and disbursements in administering this subpart. Each such budget shall include:

(i) A statement of objectives and strategy for each program, plan, or project;

(ii) A summary of anticipated revenue, with comparative data for at least one preceding year;

(iii) A summary of proposed expenditures for each program, plan, or project; and

(iv) Staff and administrative expense breakdowns, with comparative data for at least one preceding year.

Each budget shall include a rate of assessment for such fiscal year calculated, subject to §1209.51(b), to provide adequate funds to defray its proposed expenditures and to provide for a reserve as set forth in paragraph (f). The Council may change such rate at any time, as provided in §1209.51(b)(5).

(2)(i) Subject to paragraph (a)(2)(ii), any amendment or addition to an approved budget must be approved by the Secretary, including shifting of funds from one program, plan, or project to another.

(ii) Shifts of funds which do not cause an increase in the Council's approved budget and which are consistent with governing bylaws need not have prior approval by the Secretary.

(b) The Council is authorized to incur such expenses, including provision for a reasonable reserve, as the Secretary finds are reasonable and likely to be incurred by the Council for its maintenance and functioning, and to enable it to exercise its powers and perform its duties in accordance with the provisions of this subpart. Such expenses shall be paid from funds received by the Council.

(c) The Council shall not use funds collected or received under this subpart to reimburse, defray, or make payment of expenditures incurred in developing, drafting, studying, lobbying on or promoting the legislation authorizing this subpart. Such prohibition includes reimbursement, defrayment, or payment to mushroom industry associations or organizations, producers or importers, lawyers, law firms, or consultants.

(d) The Council may accept voluntary contributions, but these shall only be used to pay expenses incurred in the conduct of programs, plans, and projects. Such contributions shall be free from any encumbrance by the donor and the Council shall retain complete control of their use. The donor may recommend that the whole or a portion of the contribution be applied to an ongoing program, plan, or project.

(e) The Council shall reimburse the Secretary, from funds received by the Council, for administrative costs incurred by the Secretary in implementing and administering this subpart, except for the salaries of Department employees incurred in conducting referenda.

(f) The Council may establish an operating monetary reserve and may carry over to subsequent fiscal periods excess funds in any reserve so established, except that the funds in the reserve shall not exceed approximately

(g) With the approval of the Secretary, the Council may borrow money for the payment of administrative expenses, subject to the same fiscal, budget, and audit controls as other funds of the Council.

§ 1209.51 Assessments.

(a) Any first handler initially purchasing, or otherwise placing into the current of commerce, mushrooms produced in the United States shall, in the manner as prescribed by the Council and approved by the Secretary, collect an assessment based upon the number of pounds of mushrooms marketed in the United States for the account of the producer, and remit the assessment to the Council.

(b) The rate of assessment effective during any fiscal year shall be the rate specified in the budget for such fiscal year approved by the Secretary, except that:

(1) The rate of assessment during the first year this subpart is in effect shall be one-quarter of one cent per pound of mushrooms marketed, or the equivalent thereof.

(2) The rate of assessment during the second year this subpart is in effect shall not exceed one-third of one cent per pound of mushrooms marketed, or the equivalent thereof.

(5) The Council may change the rate of assessment for a fiscal year at any time with the approval of the Secretary as necessary to reflect changed circumstances, except that any such changed rate may not exceed the level of assessment specified in paragraphs (b)(1), (2), (3), or (4), whichever is applicable.

(c) Any person marketing mushrooms of that person's own production to consumers in the United States, either di-

(d) Only one assessment shall be paid on each unit of mushrooms marketed.

(e)(1) Each importer of mushrooms shall pay an assessment to the Council on mushrooms imported for marketing in the United States, through the U.S. Customs Service or in such other manner as may be established by rules and regulations approved by the Secretary.

(2) The per-pound assessment rate for imported mushrooms shall be the same as the rate provided for mushrooms produced in the United States.

(3) The import assessment shall be uniformly applied to imported mushrooms that are identified by the number, 0709.51.0000, in the Harmonized Tariff Schedule of the United States or any other number used to identify fresh mushrooms.

(5) Only one assessment shall be paid on each unit of mushrooms imported.

(f) The collection of assessments under this section shall commence on all mushrooms marketed in or imported into the United States on or after the date established by the Secretary, and shall continue until terminated by the Secretary. If the Council is not constituted on the date the first assessments are to be collected, the Secretary shall have the authority to receive assessments on behalf of the Council and may hold such assessments until the Council is constituted, then remit such assessments to the Council.

(g)(1) Each person responsible for remitting assessments under paragraphs (a), (c), or (e) shall remit the amounts due from assessments to the Council on a monthly basis no later than the fifteenth day of the month following the
