

§ 1410.43

shows the maximum soil rental rate CCC may pay which may be supplemented to reflect special contract requirements. As determined by the Deputy Administrator, such schedule will be calculated based on the relative productivity of soils within the county using NRCS data and local FSA average cash rental estimates. The schedule will be posted in the local FSA office. As determined by the Deputy Administrator, the schedule shall indicate, when appropriate, that:

(1) Contracts offered by producers who request rental payments greater than the schedule for their soil(s) will be rejected;

(2) Offers of contracts that are expected to provide especially high environmental benefits, as determined by the Deputy Administrator, may be accepted without further evaluation when the requested rental rate is less than or equal to the corresponding soil schedule; and

(3) Otherwise qualifying offers shall be ranked competitively based on factors established under §1410.31 of this part in order to provide the most cost-effective environmental benefits, as determined by the Deputy Administrator.

(f) Additional financial incentives may be provided to producers offering contracts expected to provide especially high environmental benefits through an increased annual rental payment or incentive payment as determined by the Deputy Administrator.

§ 1410.43 Method of payment.

Except as provided in §1410.50, payments made by CCC under this part may be made in cash or other methods of payment in accordance with part 1401 of this chapter, unless otherwise specified by CCC.

§§ 1410.44–1410.49 [Reserved]

§ 1410.50 State enhancement program.

(a) For contracts to which a State, political subdivision, or agency thereof has succeeded in connection with an approved conservation reserve enhancement program, payments shall be made in the form of cash only. The provisions that limit the amount of payments per year that a person may receive under this part shall not be appli-

cable to payments received by such State, political subdivision, or agency thereof in connection with agreements entered into under such enhancement programs carried out by such State, political subdivision, or agency thereof which has been approved for that purpose by CCC.

(b) CCC may enter into other agreements in accordance with terms deemed appropriate by CCC, with States to use the CRP to cost-effectively further specific conservation and environmental objectives of that State and the nation.

§ 1410.51 Transfer of land.

(a)(1) If a new owner or operator purchases or obtains the right and interest in, or right to occupancy of, the land subject to a CRP contract, as determined by the Deputy Administrator, such new owner or operator, upon the approval of CCC, may become a participant to a new CRP contract with CCC with respect to such transferred land.

(2) With respect to the transferred land, if the new owner or operator becomes a successor to the existing CRP contract, the new owner or operator shall assume all obligations under the CRP contract of the previous participant.

(3) If the new owner or operator becomes a successor to a CRP contract with CCC, then, except as otherwise determined appropriate by the Deputy Administrator:

(i) Cost-share payments shall be made to the participant, past or present, who established the practice; and

(ii) Annual rental payments to be paid during the fiscal year when the land was transferred shall be divided between the new participant and the previous participant in the manner specified in §1410.42.

(b) If a participant transfers all or part of the right and interest in, or right to occupancy of, land subject to a CRP contract and the new owner or operator does not become a successor to such contract within 60 days of such transfer, such contract shall be terminated with respect to the affected portion of such land and the original participant:
