

meet the definition of a warehouse receipt and provide for delivery of the cotton to bearer or are properly assigned by endorsement in blank, so as to vest title in the holder of the receipt or are otherwise acceptable to CCC. The warehouse receipt must:

- (1) Contain the gin bale number;
- (2) Contain the warehouse receipt number;
- (3) Be dated on or prior to the date the producer signs the note and security agreement.

(b) Warehouse receipts, in accordance with §1427.3, when issued as block warehouse receipts will be accepted when authorized by CCC only if the owner of the warehouse issuing the block warehouse receipt owns the cotton represented by the block warehouse receipt and the warehouse is not licensed under the U.S. Warehouse Act.

(c)(1) Each receipt must set out in its written or printed terms the tare and the net weight of the bale represented thereby. The net weight shown on the warehouse receipt shall be the difference between the gross weight as determined by the warehouse at the warehouse site and the tare weight. The warehouse receipt may show the net weight established at a gin if:

(i) The gin is in the immediate vicinity of the warehouse and is operated under common ownership with such warehouse or in any other case in which the showing of gin weights on the warehouse receipts is approved by CCC; and

(ii) Gin weights are permitted by the licensing authority for the warehouse.

(2) The tare shown on the receipt shall be the tare furnished to the warehouse by the ginner or entered by the ginner on the gin bale tag. A machine card type warehouse receipt reflecting an alteration in gross, tare, or net weight will not be accepted by CCC unless it bears, on the face of the receipt, the following legend or similar wording approved by CCC, duly executed by the warehouse or an authorized representative of the warehouse:

Corrected (gross, tare, or net) weight,
(Name of warehouse),
By (Signature or initials),
Date.

(3) Alterations in other inserted data on a machine card type warehouse re-

ceipt must be initialed by an authorized representative of the warehouse.

(d) If warehouse storage charges have been paid, the receipt must show that date through which the storage charges have been paid.

(e) If warehouse receiving charges have been paid or waived, the warehouse receipt must show such fact. Except for bales stored in the States of Alabama, Florida, Georgia, North Carolina, South Carolina, and Virginia, if receiving charges due on the bale include a charge, if any, for a new set of ties for compressing flat bales tied with ties which cannot be reused, the warehouse receipt must indicate the receiving charges and include a charge for new set of ties. If the bale is stored at a warehouse not having compress facilities and bales shipped from the warehouse are normally compressed in transit, the warehouse receipt must show the bale ties are not suitable for reuse when the bale is compressed and charges will be assessed by the nearest compress in line of transit for furnishing new bale ties.

(f) In any case where loan collateral is forfeited, any unpaid storage or receiving charges will be paid to the warehouse by CCC after loan maturity or as soon as practicable after the cotton is ordered shipped by CCC.

(g) The warehouse receipt must show the compression status of the bale; i.e., flat, modified flat, standard, gin standard, standard density (short), gin universal, universal density (short), or warehouse universal density. The receipt must show if the compression charge has been paid, or if the warehouse claims no lien for such compression.

[61 FR 37601, July 18, 1996, as amended at 62 FR 19023, Apr. 18, 1997]

§ 1427.12 Liens.

If there are any liens or encumbrances on the cotton tendered as collateral for a loan, waivers that fully protect the interest of CCC must be obtained before disbursement even though the liens or encumbrances are satisfied from the loan proceeds. No additional liens or encumbrances shall be placed on the cotton after the loan is approved.
