pledged as collateral for a loan. If the honey located in a farm storage structure is pledged as collateral that secures more than one loan, the honey must be segregated so as to preserve the identity of the honey securing such loan. Honey securing a loan must also be segregated from any honey not pledged as collateral for a loan which is stored in the same structure.

(b) Producers may also obtain loans on honey packed in eligible containers and stored in facilities owned by third parties in which the honey of more than one person is stored if the honey which is to be pledged as collateral for a loan and which is stored identity preserved or is segregated from all other honey. (c) If there are any other security interests, liens, or encumbrances on the honey, CCC shall obtain waivers that fully protect the interest of CCC even though the security interests, liens, or encumbrances are satisfied from the loan proceeds. No additional security interests, liens, or encumbrances shall be placed on the honey after the loan is approved.

§ 1434.9 Fees and interest.

§ 1434.10 Determination of quantity.

The amount of a loan shall be based on 100 per cent of the net weight in pounds of such quantity certified by the producer for honey on Form CCC-633 (Honey) which is pledged as security for the loan and covered by the note and security agreement. Estimates of the quantity of honey shall be made on the basis of 12 pounds for each gallon of rated capacity of the container.

§ 1434.11 Transfer of producer's interest prohibited.

Absent written approval from CCC, the producer shall not transfer either the remaining interest in, or right to redeem, the honey pledged as collateral for a loan on honey nor shall anyone acquire such interest or right. Subject to the provisions of §1434.14, a producer who wishes to liquidate all or part of a loan by contracting for the sale of the honey must obtain written approval from the county office on a form prescribed by CCC to remove a specified quantity of the honey from storage. Any such approval shall be subject to the terms and conditions set forth in the applicable form, copies of which may be obtained by producers at the county office.

§ 1434.12 Loss or damage.

The producer is responsible for any loss in quantity or quality of the honey pledged as collateral for a loan. CCC shall not assume any loss in quantity or quality of the loan collateral.

(a) When applying for an individual or joint loan, each producer agrees:

(1) When signing Form CCC-633 (Honey), Honey Loan Certification and Worksheet and Form CCC-677 Farm Storage Note and Security Agreement, that the producer will:

(2) That violation of the terms and conditions of this part and Form CCC-677 will cause harm or damage to CCC in that funds may be disbursed to the producer for a loan quantity which is not actually in existence or for a quantity for which the producer is not eligible.

(b) For the purposes of this section, violations include any failure to comply with this part or the loan agreement, including but not limited to any incorrect certification or:

(1) Unauthorized removal of honey which shall include but is not limited to the movement of any loan quantity of honey from the storage structure in which the commodity was stored when the loan was approved to any other storage structure whether or not such structure is located on the producer's farm without prior written authorization from the county committee in accordance with §1434.14.

(2) Any unauthorized disposition which shall include, but is not limited to the conversion of any loan quantity pledged as collateral for a loan without prior written authorization from the county committee in accordance with §1434.14.

Accordingly, if the county committee determines that the producer has engaged in any such violation, liquidated damages shall be assessed in addition to any loan refund and other charges that may be due. The amount of such damages shall be computed using the quantity of honey that is involved in the violation and the formula set out below. If CCC determines the producer:

(1) Acted in good faith when the violation occurred, liquidated damages will be assessed by multiplying the quantity involved in the violation by:

(i) 10 percent of the loan rate applicable to the loan note for the first offense; or

(ii) 25 percent of the loan rate applicable to the loan note for the second offense; or

(2) Did not act in good faith with regard to the violation, or for cases other than the first or second offense, liquidated damages will be assessed by multiplying the quantity involved in the violation by 25 percent of the loan rate applicable to the loan note.

(1) Require repayment of the loan principal applicable to the loan quantity involved in the violation plus charges and interest; and

(2) If the producer fails to pay such amount within 30 calendar days from the date of notification, call the applicable loan for all of the honey under loan, plus charges and interest.

(e) For liquidated damages assessed in accordance with paragraph (c)(2) of this section, the county committee shall call the loan involved in the violation, and charges plus interest.

(f) The county committee:

(1) May waive the administrative actions taken in accordance with paragraphs (c)(1) and (d) of this section if the county committee determines that:

(i) The violation occurred inadvertently, accidentally, or unintentionally; or

(ii) The producer acted to prevent spoilage of the commodity.

(2) Shall not consider the following acts as inadvertent, accidental, or unintentional:

(i) Movement of loan collateral off the farm;

(g) If there is any violation of the loan agreement or this part, the loan may be terminated in which case there must be a full refund of the loan plus interest and costs.

(j) A producer shall be personally liable for any damages resulting from honey removed by CCC, containing mercurial compounds or other sub-

stances poisonous to humans, animals, or food commodities which are contaminated.

(k) If the amount disbursed under a loan or in settlement thereof exceeds the amount authorized under this part, the producer shall be personally liable for repayment of such excess and charges, plus interest, and for any other sanction as may be allowed by law.

(l) If the amount collected from the producer in satisfaction of the loan is less than the amount required in accordance with this part, the producer shall be personally liable for repayment of the amount of such deficiency and charges, plus interest.

(m) In the case of joint loans, the personal liability for the amounts specified in this section shall be joint and several on the part of each producer signing the loan note. Further, each producer who is a party to a joint loan will be jointly and severally liable for any violation of the terms and conditions of the note and security agreement, and the regulations set forth in this part. Each such producer shall also remain liable for repayment of the entire loan amount until the loan is fully repaid without regard to such producer's claimed share in the honey, or loan proceeds, after execution of the note and security agreement by CCC.

(n) Any or all of the liquidated damages assessed in accordance with the provisions of paragraph (c) of this section may be waived as determined by CCC.

(o) Remedies set out here are in addition to remedies the CCC will have through its security interest on honey which secures the repayment of the loan made on the honey.

(p) All remedies provided for in this section or part are in addition to any remedies as may otherwise be provided for in law.

§ 1434.14 Release of the honey pledged as collateral for a loan.
