**§ 1464.102 Budget deficit marketing assessment.**

(a) *General.* Subject to the limits set out below, a budget deficit marketing assessment (BDMA) shall be remitted by all importers of tobacco for tobacco entered into the commerce of the United States.

(b) *Period of coverage.* Except as provided for in (h), this section shall only apply to tobacco imported after September 13, 1995, and through the 1998 calendar year.

(c) *Tobacco covered.* Except as provided in (g) and (h), this section shall only apply to unmanufactured tobacco entered for consumption into the commerce of the United States that is, as determined by the Director, the same kind or a like kind of tobacco for which a domestic price support program is in effect; provided further that, except as provided in (g) and (h), this section shall not apply to cigar kinds of tobacco.

(d) *Rate.* Except as provided in (h) and subject to provisions in this section dealing with mixed lots, the BDMA rate shall be the rate for the corresponding domestic tobacco for the marketing year for the domestic tobacco which is in progress when the imported tobacco becomes subject to the assessment. The BDMA rate shall be applied on a per kilogram basis to all quantities of such tobacco imported for consumption, except for *de minimis* special entries approved by the Director.

(e) *Mixed entries.* For entries of mixed kinds of tobacco, the importer shall certify the composition of the mixed lot and remit the amount of assessment due for the respective quantity of each applicable kind of tobacco in the

mixture. If the importer is unable or unwilling to determine and certify the composition of the mixed lot, the entire lot shall be subject to the BDMA rate for the kind of tobacco with the highest rate.

(f) *Remittance of BDMA.* The BDMA amount due shall be remitted in accordance with §1464.104 of this part. Failure to remit or timely remit BDMA's shall subject the importer to a marketing penalty on the quantity for which such failure occurred. The penalty will be assessed in accordance with §1464.106 of this part.

(g) *Records and disputes.* It shall be the responsibility of all importers of tobacco to establish that their tobacco is not subject to any BDMA or is not subject to a higher BDMA than that claimed to be due by such importer. All importers of tobacco must, accordingly, maintain sufficient records to demonstrate that they are not liable for a higher BDMA amount. Disputes involving the application of the BDMA shall be resolved by the Director.

(h) *Tobacco entered prior to September 13, 1995.* Notwithstanding other provisions of this section, all imported tobacco which was entered for consumption into the United States from January 1, 1994, through September 13, 1995, shall be subject to a BDMA to the extent provided for under those rules which were in effect under this part during that period. BDMA's payable for that period shall be paid by the importer and shall be at the rate specified in those rules and subject to the terms of those rules.

**§ 1464.105 Refund of assessments.**

Assessments paid on imported tobacco may be refunded if the person importing such tobacco establishes, to the satisfaction of the Director, that the tobacco on which the assessment was paid has been reexported as unmanufactured tobacco or destroyed in an unmanufactured state. Assessment refunds will be based on entry weight as identified on Customs Service Form CF7501 or CF7505, or other documentation or data as required by the Director or found by the Director to be appropriate. Additional refund documentation, including proof of export, will be required consistent with the "duty drawback" provisions administered by the Customs Service pursuant to section 313(a) of the Tariff Act of 1930, as amended. Persons seeking a refund shall submit their request and documentation to the Director, Tobacco and Peanuts Division, Farm Service Agency (FSA), United States Department of Agriculture (USDA), P.O. Box 2415, Washington, DC 20013-2415. Where deemed appropriate, the Director may, in writing, allow the use of substitute documentation and permit payments to successors in interest where the re-exporter and importer are not the same. Where exporter and importer are not the same, refunds shall be to the importer unless the importer, in writing, notifies the Director that the payment should be made to the exporter.
