(B) Standard published assessments or charges for services rendered at standard published rates that apply to all tobacco of all producers, including tobacco for which no advance has been paid;

(4) If tobacco is pledged for a price support loan and the producer is not then or thereafter deemed to be or to have been an eligible producer for that tobacco for purposes of placing the tobacco under such loan, then the to-

bacco shall be considered to have a loan value of zero. The producer and the person that took possession of the tobacco from the producer, or paid an advance, or marketed the tobacco, or disposed of the tobacco as producer tobacco, shall be jointly and severally liable with the producer for returning any loan proceeds previously paid in the name of, or for the account of, the producer. Further, the disposition of any tobacco as producer tobacco where the producer is not then or thereafter considered to have been an eligible producer with respect to such tobacco may be the subject of penalties on the grounds of false identification, excess marketings, or otherwise as provided in part 723 of this title. These remedies are in addition to any others as may apply.
