

services or benefits; the promise to provide additional goods, services or benefits in the future; financial rebates; the assumption of any financial or contractual obligation; or the whole or partial release of the importer from any financial or contractual obligation.

Facility. An opportunity or project that improves the handling, marketing, processing, storage, or distribution of imported agricultural commodities or products.

GSM. The General Sales Manager, Foreign Agricultural Service, U.S. Department of Agriculture, acting in his capacity as Vice President, CCC; or his designee.

U.S. goods. Goods that are assembled, processed or manufactured in, and exported from, the United States including goods which contain imported raw materials or imported components.

U.S. services. Services performed by citizens or legal residents of the United States, including those temporarily residing outside the United States.

§ 1493.220 Exporter eligibility.

An exporter may apply for a facility payment guarantee if such exporter:

(a) Is a citizen or legal resident of the United States or is a business organized under the laws of any state of the United States or the District of Columbia;

(b) Has an established place of business in the United States;

(c) Has a registered agent for service of process in the United States; and

(d) Is not suspended or debarred, or owned or controlled by a person who is suspended or debarred, from contracting with, or participating in programs administered by, a U.S. Government agency.

§ 1493.230 Eligible transactions.

(a) *Program announcements.* From time to time CCC will issue program announcements indicating the availability of facility payment guarantees in connection with sales of goods or services to emerging markets. The announcements will specify the emerging markets, the maximum amount, in U.S. dollars, of guarantee exposure that CCC will undertake, and may specify special terms or conditions that will be applicable.

(b) *Sale requirements.* CCC will issue facility payment guarantees only in connection with projects that CCC determines will benefit primarily exports of U.S. agricultural commodities and products, and only where there is a firm contract for the sale of goods or services for the establishment or improvement of an agriculture-related facility. The contract may be contingent, however, on the issuance of a CCC facility payment guarantee.

(c) *Initial payment requirement.* The contract for sale of goods or services between the exporter and the importer shall oblige the importer to make an initial payment(s) to the exporter of at least 15 percent of the net contract value in §1493.260(b)(1). Such initial payment(s) shall be in U.S. dollars or instruments having a definite value in U.S. dollars, and shall be made prior to the export of the goods or services.

(d) *Required method of payment.* CCC will issue a facility payment guarantee only in connection with a sale in which payment will be made under either:

(1) An irrevocable foreign bank letter of credit specifically stating the deferred payment terms under which the foreign bank is obligated to make payments in U.S. dollars as payments become due; or

(2) An irrevocable foreign bank letter of credit supported by a related obligation specifically stating the deferred payment terms under which the foreign bank is obligated to make payment in U.S. dollars as such payments become due.

(e) *Form of letter of credit.* The foreign bank letter of credit referred to in paragraph (d) of this section shall be an irrevocable commercial letter of credit, subject to the revision of the International Chamber of Commerce Uniform Customs and Practices for Documentary Credits¹ in effect when the letter of credit is issued, providing for payment in U.S. dollars against stipulated documents and issued in favor of the exporter by a CCC-approved foreign banking institution.

(f) *Form of related obligation.* The related obligation referred to in paragraph (d) of this section shall be in one of the following forms:

§ 1493.240

7 CFR Ch. XIV (1-1-01 Edition)

(1) A letter of credit including a specific promise to pay on deferred payment terms as a special instruction from the issuing bank directly to the U.S. financial institution to refinance the amounts paid by the U.S. financial institution for obligations financed according to the tenor of the letter of credit;

(2) A separate document specifically identified and referred to in the letter of credit as the agreement under which the foreign bank is obligated to repay the U.S. financial institution on deferred payment terms;

(3) A separate document setting forth the related obligation, or in a duly executed amendment thereto, as having been financed by a U.S. financial institution pursuant to, and subject to, repayment in accordance with the terms of such related obligation; or

(4) A promissory note executed by a foreign bank issuing the letter of credit in favor of the financial institution.

§ 1493.240 Initial application and letter of preliminary commitment.

(a) *Initial application.* An exporter may apply for a facility payment guarantee by submitting the following information:

(1) A cover sheet with the title: "Application for a Facility Payment Guarantee—Preliminary Commitment";

(2) The program announcement number;

(3) The emerging market;

(4) The name, contact person, address, and telephone number and, if applicable, facsimile number and E-mail address of:

(i) The exporter;

(ii) The exporter's registered agent for service of process in the United States;

(iii) The exporter's assignee, if applicable;

(iv) The importer;

(v) The end-user of the goods or services if other than the importer;

(vi) The foreign bank expected to issue the letter of credit or related obligation; and

(vii) The financial institution in the United States expected to provide financing;

(5) A statement on letterhead from a:

(i) Foreign bank indicating an interest in guaranteeing payment, in U.S. dollars, for goods or services to be exported under the facility payment guarantee at least equal to the net contract value listed in paragraph (a)(14) of this section, less the initial payment requirement listed in paragraph (a)(15) of this section; and

(ii) Financial institution in the U.S. indicating an interest in financing the export sales of goods or services under the facility payment guarantee for an amount at least equal to the net contract value listed in paragraph (a)(14) of this section less the initial payment requirement listed in paragraph (a)(15) of this section. The financial institution must state that such financing would not otherwise be available without an FGP payment guarantee;

(6) The period for which credit is being extended to finance the sale of goods or services covered by the facility payment guarantee;

(7) The exporter's sales number pertinent to this application and a description of the status of the intended sale;

(8) A description (e.g., a process flow diagram) of the agriculture-related facility that will use the goods or services to be covered by the facility payment guarantee and an explanation of how these goods and services will be used to improve handling, marketing, processing, storage, or distribution of agricultural commodities or products;

(9) A brief description of each good or service to be covered by the facility payment guarantee including, where applicable, brand name, model number, Standard Industrial Classification (SIC) or the North American Industry Classification System (NAICS) code, and contract specifications;

(10) The final date for export of goods or services. If applicable, include construction start date, milestones (e.g., installation), and contractual deadline for completion of project;

(11) The contract value for the sale of goods or services and the basis of sale for goods to be exported (e.g., FOB, CFR, CIF);

(12) The description and value of the goods or cost of services listed in paragraph (a)(11) of this section that are not U.S. goods or services;
