

§ 1493.320 Recovery of losses.

(a) *Notification.* Upon payment of loss to the exporter or the exporter's assignee, CCC will notify the foreign bank of CCC's rights under the subrogation agreement to recover all monies in default.

(b) *Receipt of monies.* (1) In the event that monies for a defaulted payment are recovered by the exporter or the exporter's assignee from the importer, the foreign bank or any other source whatsoever, such monies shall be immediately paid to the Treasurer, CCC. If such monies are not received by CCC within 15 days from the date of recovery by the exporter or the exporter's assignee, the exporter or the exporter's assignee will owe to CCC interest from the date of recovery to the date of receipt by CCC. This interest will be calculated based on the latest average investment rate of the most recent Treasury 91-day auction, as announced by the Department of Treasury, in effect on the date of recovery and will accrue from such date to the date of payment by the exporter or the exporter's assignee to CCC. Such interest will be charged only on CCC's share of the recovery.

(2) If CCC recovers monies that should be applied to a facility payment guarantee for which a claim has been paid by CCC, CCC will pay the holder of the facility payment guarantee its pro rata share immediately, provided that the required information necessary for determining pro rata distribution has been furnished. If payment is not made by CCC within 15 days from the date of recovery or 15 days from receiving the required information for determining pro rata distribution, whichever is later, CCC will pay interest calculated on the latest average investment rate of the most recent Treasury 91-day bill auction, as announced by the Department of Treasury, in effect on the date of recovery and will accrue from such date to the date of payment by CCC. The interest will apply only to the portion of the recovery payable to the holder of the facility payment guarantee.

(c) *Allocation of recoveries.* Recoveries made by CCC from the importer or the foreign bank, and recoveries received by CCC from the exporter, the export-

er's assignee or any other source whatsoever, will be allocated by CCC to the exporter or the exporter's assignee and to CCC on a pro rata basis determined by their respective interests in such recoveries. The respective interest of each party will be determined on a pro rata basis, based on the combined amount of principal and interest in default. Once CCC has paid out a particular claim under a facility payment guarantee, CCC prorates any collections it receives and shares these collections proportionately with the holder of the guarantee until both CCC and the holder of the guarantee have been reimbursed in full. Appendix to §1493.320 provides an example of the methodology used by CCC in applying this paragraph (c).

(d) *Liabilities to CCC.* Notwithstanding any other terms of the facility payment guarantee, the exporter may be liable to CCC for any amounts paid by CCC under the facility payment guarantee when and if it is determined by CCC that the exporter engaged in fraud, or has been or is in breach of any contractual obligation, certification or warranty made by the exporter for the purpose of obtaining the facility payment guarantee or for fulfilling obligations under the FGP. Further, the exporter's assignee may be liable to CCC for any amounts paid by CCC under the facility payment guarantee when and if it is determined by CCC that the exporter's assignee engaged in fraud or otherwise violated program requirements.

(e) *Good faith.* The violation by an exporter of the certifications in §1493.270 or the failure of an exporter to comply with the provisions of §1493.290 or §1493.330(e) will not affect the validity of any facility payment guarantee with respect to an assignee which had no knowledge of such violation or failure to comply at the time such exporter applied for the facility payment guarantee or at the time of assignment of the facility payment guarantee.

(f) *Cooperation in recoveries.* Upon payment by CCC of a claim to the exporter or the exporter's assignee, the exporter or the exporter's assignee will cooperate with CCC to effect recoveries from the foreign bank or the importer.

§ 1493.330

APPENDIX TO § 1493.320—ILLUSTRATION OF PRO RATA ALLOCATION OF RECOVERIES

The following example illustrates CCC's policy, as set forth in § 1493.320, regarding pro rata sharing of recoveries made for claims filed under the FGP. For the purpose of this example only, even though CCC interest coverage is on a floating rate basis, a constant rate of interest is assumed. A typical case might be as follows:

1. The U.S. bank enters into a \$300,000 three-year credit arrangement for the export sale of goods and services with the foreign bank calling for equal semi-annual payments of principal and semi-annual payment of interest at a rate of 10 percent per annum and a penalty interest rate of 12 percent per annum on overdue amounts until the overdue amount is paid.

2. Exported value reported to CCC equals \$300,000.

3. The foreign bank fails to make the final principal payment of \$50,000 and an interest payment of \$2,493.15, both due on January 31.

4. On February 10, the U.S. bank files a notice of default and claim in good order with CCC.

5. CCC's guarantee states that CCC's maximum liability is limited to 95 percent of the principal amount due (\$47,500) and interest at a rate of 8 percent per annum (basis 365 days) on 95 percent of the principal (\$1,894.80).

6. CCC pays the claim on February 22.

7. The latest investment rate of the 91-day Treasury Bill auction average which has been published by the Department of Treasury in effect on the date of nonpayment by CCC (February 11) is 7 percent.

COMPUTATION OF OBLIGATIONS

Using the above case, CCC's payment to the holder of the facility payment guarantee would be computed as follows:

1. CCC's Obligation under the Facility Payment Guarantee:	
(a) Principal coverage—(95% × \$50,000)	\$47,500.00
(b) Interest coverage—(8% × \$47,500 × 182/365)	1,894.80
Total	49,394.80
(c) Late interest due from CCC (7% per annum for 11 days × \$49,394.80)	104.20
(d) Amount paid by CCC on February 22	49,499.00
2. Foreign Bank's Obligation under the Letter of Credit or the Related Obligation:	
(a) Principal due January 31	50,000.00

Interest due January 31 (10% × \$ 50,000 × 182/365)	2,493.15
Amount owed by foreign bank as of January 31 ...	52,493.15
(b) Penalty interest due (12% per annum for 22 days × \$ 50,000)	361.64
(c) Amount owed by foreign bank as of February 22	52,854.79
3. Amount of Foreign Bank's Obligation Not Covered by CCC's Payment Guarantee:	3,355.79.

COMPUTATION OF PRO RATA SHARING IN RECOVERY OF LOSSES

In establishing each party's respective interest in any recovery of losses, the total amount due under the foreign bank obligation would be determined as of the date the claim is paid by CCC (February 22). Using the above example in which the amount owed by the foreign bank is \$52,854.79, CCC would be entitled to 93.65 percent (\$49,499.00 divided by \$52,854.79) and the holder of the facility payment guarantee would be entitled to 6.35 percent (\$3,355.79 divided by \$52,854.79) of any recoveries of losses after settlement of the claim. Since in this example, the losses were recovered after the claim had been paid by CCC, § 1493.320(b) would apply.

§ 1493.330 Miscellaneous provisions.

(a) *Assignment.* (1) The exporter may assign the proceeds which are, or may become, payable by CCC under a facility payment guarantee or the right to such proceeds only to a financial institution in the U.S. The assignment must cover all amounts payable under the facility payment guarantee not already paid, may not be made to more than one party, and may not, unless approved in advance by CCC, be subject to further assignment. Any assignment may be made to one party as agent or trustee for two or more parties participating in the assignment.

(2) An original and two copies of the written notice of assignment signed by the parties thereto must be filed by the assignee with the Treasurer, CCC, at the address specified in the Contacts P/R.

(3) Receipt of the notice of assignment will ordinarily be acknowledged to the exporter and its assignee in writing by an officer of CCC. In cases
