

**§ 1493.480**

**7 CFR Ch. XIV (1-1-01 Edition)**

**§ 1493.480 Certification requirements for the evidence of export.**

By providing the statement contained in §1493.470(a)(10), the exporter is certifying that the information provided in the evidence of export report is true and correct and, further, that all requirements set forth in this section have been or will be met. The exporter will be required to provide further explanation or documentation with regard to reports that do not include this statement. If the exporter breaches or violates these certifications with respect to a SCGP payment guarantee, CCC will have the right, notwithstanding any other rights provided under this subpart, to annul guarantee coverage for any commodities not yet exported and/or to proceed against the exporter. The exporter, in submitting the evidence of export and providing the statement set forth in §1493.470(a)(10), certifies that:

(a) The agricultural commodity or product exported under the payment guarantee is a U.S. agricultural commodity as defined by §1493.410(x).

(b) Agricultural commodities of the grade, quality and quantity called for in the exporter's sales contract with the importer have been exported to the country specified in the payment guarantee;

(c) There is an importer obligation as defined in §1493.410(n) to cover the exported value of the commodity exported;

(d) There have not been and will not be any corrupt payments or extra sales services or other items extraneous to the transaction provided, financed, or guaranteed in connection with the transaction, and that the transaction complies with applicable United States law; and

(e) The information provided pursuant to §1493.420 has not changed, the exporter still meets all of the qualification requirements of §1493.420 and the exporter will immediately notify CCC if there is a change of circumstances which would cause it to fail to meet such requirements.

**§ 1493.490 Proof of entry.**

(a) *Diversion.* The diversion of commodities covered by a SCGP payment guarantee to a country other than that shown on the payment guarantee is prohibited, unless expressly authorized by the GSM.

(b) *Records of proof of entry.* Exporters must obtain and maintain records of an official or customary commercial nature and grant authorized USDA officials access to such documents or records as may be necessary to demonstrate the arrival of the agricultural commodities exported in connection with the SCGP in the country that was the intended country of destination of such commodities. Records demonstrating proof of entry must be in English or be accompanied by a certified or other translation acceptable to CCC. Records acceptable to meet this requirement include an original certification of entry signed by a duly authorized customs or port official of the importing country, by the importer, by an agent or representative of the vessel or shipline which delivered the agricultural commodity to the importing country, or by a private surveyor in the importing country, or other documentation deemed acceptable by the GSM showing:

(1) That the agricultural commodity entered the importing country;

(2) The identification of the export carrier;

(3) The quantity of the agricultural commodity;

(4) The kind, type, grade and/or class of the agricultural commodity; and

(5) The date(s) and place(s) of unloading of the agricultural commodity in the importing country. (Records of proof of entry need not be submitted with a claim for loss, except as may be provided in §1493.500(b)(4)(ii).)

**§ 1493.500 Notice of default and claims for loss.**

(a) *Notice of default.* If the importer fails to make payment pursuant to the terms of the importer obligation, the exporter or the exporter's assignee must submit a notice of default to CCC as soon as possible, but not later than 10 calendar days after the date that payment was due from the importer (the due date). A notice of default must

be submitted in writing to the Treasurer, CCC, at the address specified in the Contacts P/R. If the exporter or the exporter's assignee fails to promptly notify CCC of defaults in accordance with this paragraph, CCC may make the payment guarantee null and void with respect to any payment(s) applicable to such default. This time limit may be extended only under extraordinary circumstances and if such extension is determined by the Controller, CCC, to be in the best interests of CCC. The notice of default must include:

- (1) Payment guarantee number;
- (2) Name of the country;
- (3) Name of the defaulting importer;
- (4) Due date;
- (5) Total amount of the defaulted payment due, indicating separately the amounts for principal and interest;
- (6) Date of importer's refusal to pay, if applicable; and
- (7) Reason for importer's refusal to pay, if known.

(b) *Filing a claim for loss.* A claim for a loss by the exporter or the exporter's assignee will not be paid if it is made later than six months from the due date of the defaulted payment. A claim for loss must be submitted in writing to the Treasurer, CCC, at the address specified in the Contacts P/R. The claim for loss must include the following information and documents:

- (1) Payment guarantee number;
- (2) A certification that the scheduled payment has not been received;
- (3) A certification of the amount of accrued interest in default, the date interest began to accrue, and the interest rate on the importer obligation applicable to the claim;
- (4) A copy of each of the following documents, with a cover document containing a signed certification by the exporter or the exporter's assignee that each page of each document is a true and correct copy:
  - (i) The importer obligation;
  - (ii) Depending upon the method of shipment, the negotiable ocean carrier or intermodal bill(s) of lading signed by the shipping company with the on-board ocean carrier date for each shipment, the airway bill, or, if shipped by rail or truck, the entry certificate or

similar document signed by an official of the importing country;

(iii)(A) The exporter's invoice showing, as applicable, the FAS, FOB, CFR or CIF values; or

(B) If there was an intervening purchaser, both the exporter's invoice to the intervening purchaser and the intervening purchaser's invoice to the importer;

(iv) An instrument, in form and substance satisfactory to CCC, subrogating to CCC the respective rights of the exporter and the exporter's assignee, if applicable, to the amount of payment in default under the applicable export sale. The instrument must reference the applicable importer obligation; and

(v) A copy of the report(s) of export previously submitted by the exporter to CCC pursuant to §1493.470(a).

(c) *Subsequent claims for defaults on installments.* If the initial claim is found in good order, the exporter or an exporter's assignee need only provide all of the required claims documents with the initial claim relating to a covered transaction. For subsequent claims relating to failure of the importer to make scheduled installments on the same export shipment, the exporter or the exporter's assignee need only submit to CCC a notice of such failure containing the information stated in paragraph (b) (1), (2), and (3) of this section; an instrument of subrogation as per paragraph (b)(4)(iv) of this section, and including the date the original claim was filed with CCC.

#### § 1493.510 Payment for loss.

(a) *Determination of CCC's liability.* Upon receipt in good order of the information and documents required under §1493.500, CCC will determine whether or not a loss has occurred for which CCC is liable under the applicable payment guarantee, this subpart and any applicable supplemental Program Announcements and Notices to Participants. If CCC determines that it is liable to the exporter and/or the exporter's assignee, CCC will pay the exporter or the exporter's assignee in accordance with paragraphs (b) and (c) of this section.

(b) *Amount of CCC's liability.* Subject to a determination by CCC with respect
